Tales from an Alternate Time

Midsummer Fire Festival

[Click for Calendar](#)

7.04.2020 Durotar, Gates of Orgrimmar

From the opening ceremonies to the final mugs lifted in celebration, members from many clans, war bands, and tribes met before Orgrimmar to celebrate the summer solstice.

There were blessings of An'she and tribute to the Light and a reminder that fire feeds the passion in our spirits... That can also be a passion for the Horde!

The heat from the fireworks was only matched by the strength of bonds that have been forged over time by members of the Horde!

Opening Blessings Ayashe, Garrox (BP), Stan. (picture by BP)

Look who is having fun!

The Horde Celebrates

Where in the World is Gin'jojo? No, Really This Time

7.6.2020 Wetlands?

Master Gin'jojo ran off. The End!

No, I merely jest. I am certain the reader wants more information than that, so I will continue.

Luckily, Thundersong was able to give us enough information that we deduced he was seeking the egg of a red dragon. Muttering under my breath all manner of things, I joined the search and we made for the Dragonmaw encampment and finally found the fool. Jumping from tall gates and later a cliff overlooking an extremely shallow lake, he was finally captured, but only after he had his precious egg. –

Many were injured in the attempt to bring home the recalcitrant Troll and Troublemaker.

Here there be draons

In other news, while looking for clues in Sen'jin Village, Guardian Bown'go found a new friend that is not a dragon!

Friends gather as wholesome and caring Bown'go gets an extremely speedy Raptor

Relaxing Pasttimes

Ice Cream and Racing for Starters

7.10.2020 Mirage Speedway, Thousand Needles

Kragoth is brilliant! What is better than testing your trusted ally and companion against those of your Tribe and your Allies? Winning gold for the effort to help in offsetting the cost of war, helped, as well, but for some of us it was nice cone of Tigule and Foror's Strawberry Ice Cream! For some, it was the first time they had had ice cream, such as the two peons that also raced around the track on foot.

Sauromoon seeks to prove how fast he can be!

Racing down the stretch!

That tiny figure there? Special visitor Tinymom! If someone can broker peace between Horde and Alliance, my bet is on her!

The Picnic

7.03.2020 Abandoned Shu'halo Village, Coast of Silithus

The Shattered Company brought us together to share in a celebration as some of their members were accorded special honors. There was racing, food, spirits, and as always great companionship. Congratulations to those that were honored. You do your Company proud!

Traditional Blessings. (picture submitted by Skybreaker)

More congratulations

Windfury Pact

7.12.2020 Gates of Orgrimmar, Durotar

Azeroth is fraught with dangers, not only Alliance, but dragons that roam the lands and evils that dwell in caverns dark and cold. Take heart! Ujay, leader of The Shattered Company now leads the various groups of the Horde!

Long Live the Horde! Long Live the Windfury Pact!

The Defeat of Hakkar by a few Trolls!

7.8.2020 Goldshire, Elwynn Forest

7.11.2020 Zul'Gurub Stranglethorn Vale

The word went out and many trolls gathered in the Hinterlands. What words they received were not overheard by the High Chieftain's Longwalker, Kaylan Ragehorn, but they were up to something as they met and spoke with the Loa, Shadra (pictured left).

They were warned about Hakkar, the soulflayer's return.

Taking it upon themselves, they met again and travelled to Zul'Gurub where they defeated Hakkar in the ancient ruins.

Personally, the editor avoids spiders, especially large ones (picture by Gin'jojo)

Redwood Rumble

7.08.2020 Tor'kren Farm, Thunder Ridge, Durotar

The fight Redwood and friends had waited for happened very quickly in the 2nd Redwood Rumble. Branharak Skybreaker issued a challenge to Master Gin'jojo... and without necromancy, Gin'jojo took the personal prize.

However, none could overcome Kragoth and a new champion was crowned in the heat of the Durotar sun.

Congratulations to the new champion... Redwood Rumble 3

Terrordale...

a.k.a. The Disaster

7.13.2020 Terrordale, The Plagued Lands

The Hand of Lordaeron. The Tribes of Redwood.

Having agreed to assist one another some time ago, they came together near the entrance of Stratholme and made their way to the small, overrun town of Terrordale.

No communications had been heard for some time and a Druid of the Cenarion Circle had ventured there to make contact, only to be silent himself.

The Town of Terrordale under current normal conditions

Upon arriving, the rescuers fell unconscious only to awaken to an unnatural darkness settled over the town, strange voices in the dark and a monstrosity that sought to devour them as it had devoured the very light of An'she and Mu'sha as though they were one.

Did the heroes prevail or is there a nightmare awaiting them each time they close their eyes?

Unnatural darkness

And then it got darker

Redwood Tribes News

Skyseer's View

I am Okwaho Skyseer, adviser to the Redwood Tribes, Seer of the Earthen Ring, and speaker to the editor that writes these words.

Our world is under attack!

And as we try to respond, we have our moments of coming together and standing apart. At the debate on medicine, we arrived at a point where we could stand together. In Terrordale we stood together, often holding one another against things we could not fight, and we are still fighting under the light of An'she.

What will divide us next? It may be the Seer? It may be the Old Gods whispers from Silithus. It may be you, the reader.

Fight together, or we will fall..
