Feb 21 - Mar 20 2023

Aries

March 21 - April 19

Not much hope you will see the spring

Taurus

April 20 - May 20

Spring beckons, but it will be dark and dreary

Gemini

May 21 - June 20

Hah... not a chance you see another cycle

Cancer

June 21 - July 22

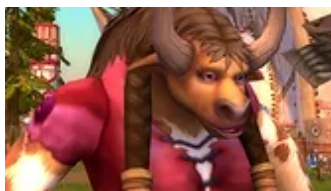

The Old Gods are a cancer, could you be named something different

Leo

July 23 - August 22

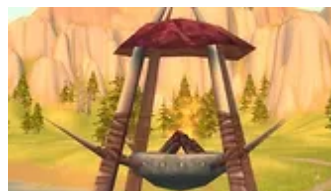

Hard to think about the future with all this soot in your fur

Virgo

August 23 - Sept 22

The Final Days are upon us

Libra

Sept 23 - October 22

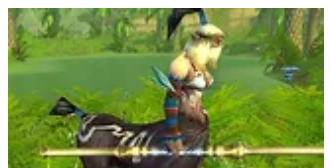

I really wish I could give you some hope since this is my birth cycle, but I am in the same boat to Kul Tiras as you are without a paddle

Scorpio

October - 23 - November 21

I wish I was back in Northrend when all we had to worry about was the Lich King.

Sagittarius

November 22 - December 21

Yeah just filling these out so I can give them to the Sages to publish, but not much hope we will see any new editions after this one

Capricorn

December 22 - January 19

Oh what a good looking Kodo in this picture.

Aquarius

January 22 - February 18

I wonder if my sisters, nephew, and nieces can escape somewhere in the cosmos that will not be overrun by evil.

Pisces

February 19 - March 20

Oh, eat your fish, it is healthy for you, but be careful where you fish it from. Stonebull Lake is still not corrupted..
