## The Greedy & The Desolate

### Horde Meeting

5.22.2020

Hearing about the recent encounters between Horde and Alliance, Chieftain Abraham Ragetotem led a contingent of braves to a War Council in Stonard. Notable among them, Warbrave Torahate Redwood, a large imposing figure.

Among several Goblin cartels, the most prominent, Swiftsilver and Quickfuse, Scabber continued to dole out goods and sought to make a profit regardless of the meeting's importance.

While some thought it necessary to waste their breath implying that Redwood's attention was elsewhere while they defended the Horde, Chieftain Ragetotem largely ignored the mercenaries that appeared to only be there for profit as they track down an artifact in Alliance hands. Pledging braves in defense of the Horde, the Chieftain departed and the Warbrave requested to see if there were peaceful means to obtaining the object in question and made ready to embark to a meeting with the Alliance, time and location to be decided.

As an aside, The Warbrave made friends with an irksome Peep!

## Desolate Clinic, atop the gates of Orgrimmar

5.21.2020

Desolate Clinic again took their place to see patients suffering from strange and mystifying ailments, however one visitor seemed to have a different stance on diagnosis and treatments. Zaxie Redwood took time away from Moonglade to check out the clinic himself and spent most of the time questioning Father Benedikt and his staff of "experts". He was horrified by some of the "cures" he witnessed.

Warbrave Redwood continues to suffer some ailment to his hoof and received a stern warning against stomping. (Perhaps he should not snort as much either!) and local editor received a Druidic treatment to clear up Hoof and Turf disease. "It was horrible, Lohkawas said, "Flowers popping up every time I took a step... and I couldn't grab them up and take them to Mokaly, either! I think the addition of a Druid to the medical staff and lack of ooze in the treatment was very refreshing."

## Chief's Corner

*Greetings all!*

*We are coming into the rise of Summer and things are heating up! Temperatures rise throughout the lands as does the trouble brought about by these shadowy portals.*

*Take note that also on the rise are out of work mercenaries. Where there is no war and conflict these mercenaries take hold and stoke the flames even higher. They seek gold and blood only, friends. Defend yourselves if you must, but realize that we are on the brink as the shadows grow... and these mercenaries will sell you out as fast as they claim to defend what is yours.*

While the Tribe strives for peace in a war-torn world, they are willing to stomp out all the campfires across Azeroth, because they are not on the menu tonight! So, until the alliance start fishing and stop hunting Shu'halo, this is the Tribe that will stop you. They enjoy boating, especially gliding out to sea in those nice galleons sitting in the Boralus harbor, mountain climbing from Dun Morogh to the peaks of Kul-Tiras, and they always enjoy a good fight! The Tribe enjoys BBQ, as well, and will bring plenty of Firewater to share with friends. Do you want to be friends? Or enemies? The choice is yours!

## Tales from an Alternate Time

### Bringing Home Lyle Brooks

A Tale in Three Parts

[Click for Calendar](#)

5.11.2020-5.17.2020 Brill to Mulgore

#### Part 1 - The Vigil

*This part will be fast.*

*We met in the graveyard in Brill to say goodbye to Lyle Brooks.*

*A member of the Alliance joined us.*

*We wore our finest.*

*We drank and poured one out for Lyle...*

A simple gathering of friends and family

The Human Spoke

The Gallows' End Tavern was at capacity

### *Part 2 - The Trial*

*Lucian, Death Lord of Hand of Lordaeron, was brought forth to stand trial, in the Ring of Valor. Natalie Avers brought forth all of the clues she had found and followed and made a strong case for the defense... that Lyle Brooks was not Lyle Brooks and had been missing for some time.*

*Most in the stands were not pleased, emotions running high and more answers were wanted before a vote could take place.*

*The Death Lord was just as haughty as he normally is as he defended himself and called his own witnesses or*

Concerned On-Lookers

*cross-examined the others. Edward Lafontaine attempted to show the holes in the defense, requesting answers to why Lucian had not told anyone else what he suspected or if he had been sure it was not Lyle Brooks when he struck the blow. Lucian responded that he is at time not ever 100 percent certain of anything and that he did not know who would believe that Lyle Brooks was in actuality a mimic.*

*These explanations seemed to sway the on-lookers, as the crowd became jury and voted to acquit by a narrow margin.*

*At least now there was some hope that despite the delay caused by Lucian not trusting anyone sooner Lyle Brooks might somehow be re-united with his lover... who in the meantime had done more to hold the Hand and the Horde together than any number of people combined.*

*Gabriel Ross, the true hero of the Horde these past weeks...*

### *Part 3 - Rescue in the Plaguelands*

*Finally word came from the Hand's trackers and informants. Reportedly the Scarlets held a prisoner matching Lyle Brooks' description in a base camp in Western Plaguelands. Allies from Redwood, Blacktooth Grin, The Shattered Company and more joined with the Hand to make sure Lyle Brooks was found and returned to safety.*

Preparations at the Bulwark

Ride like there is no tomorrow

*They rode hard and ran through the initial Scarlet soldiers with ease. Finally they found a coward sitting atop a stone tower and forced him to speak of where Forsaken prisoners were held.*

Clues?

Where is our friend?

*That was all the rescuers needed to find a dungeon where Lyle Brooks sat, a shattered arm and near shattered will. The rest of the prisoners were too far gone to help and were put down, while experts in healing made certain that our quarry could be moved safely. As the enemy finally received aid and attempted to take back their precious keep and prisoners, a portal was called to send everyone back to Thunder Bluff, where Lyle Brooks stayed in recovery.*

# Confessions & Reflections

05.18.2020 Spirit Rise, Thunder Bluff

*Branharak Skybreaker, Shaman of the Earthen Ring, Elder of Redwood Tribes... and now Follower of Akunda.*

*No one seemed too surprised, but it was nice to have the rain as back-up to the big announcement. Though some discussion was had about memories and whether one should suppress them or not. And of course, there was also an announcement by Elder Safety Inspector Nby and her search for her missing parent... a Kaldorei of the Cenarion Circle... apparently. The Tribes will, of course, help Nby to find her mother and any other family member!*

*There was one onlooker who seemed a bit negative, but no one was too surprised as the masked troll, unmasked.*

There's a "Troll" not in the circle

Waiting to find out why we are gathered

Zen'a was on hand in support of Akunda's new follower

Can you call lightning yet, Skybreaker?

## Grobbulus Commencement 2020

### IC and OOC - It is all Important

*5.15.2020 Thrall's Chamber, Orgrimmar*

*Accomplishments should be celebrated and over thirty graduates walked on Commencement Night. Each received a certificate, individualized and a little time to say something to the audience if they wished. Additionally 70 dollars was raised for Teamtrees.org as the Azeroth RP Planning Committee stepped up to the plate to make sure Grobbulus players were supported for their work in these hard times. And those that walked for IC accomplishments, thank you for making Grobbulus come alive by your participation, as well! It really does make Grobbulus unique.*

*From High School to College we salute your hard work and efforts to stay strong and get those degrees!*

*We hope more walk next time and ARPC will be there to support our Grobbulus Graduates!*

*Congratulations to the class of 2020!*

## Thunder Bluff Debate Society

5.20.2020 Amphitheater, Thunder Bluff

*Should Warlocks be allowed to practice openly in Orgrimmar?*

*The Warlocks spoke and seemed to agree that they should practice but not openly... and it was peaceful as debate was meant to be.*

*The debate foursome, Khal'thul, Kaylla, Kragoth, and Kaervek, explained much about the history of the practice and were very moving and passionate, including one who wanted Demons to become citizens and live in equality with the rest of the Horde.*

*And now he is there in his new role in the Black Mass, looking after the spiritual well being of friends and family.*

### *Not Food!*

*The Seer is sitting on a table in the Inn at Tarren Mill. There were not a lot of chairs, workable chairs that is, and most of the times the chairs in human inns are not Shu'halo friendly anyway. While the Seer is on a table, he is making sure everyone knows, he is not a steak! Just Beefy :)*

### *Mechanical Being on Darkshore*

*While finding Kazi, the Tribes came across some type of large mechanical construct. It seems friendly, has a love of the sea, but is not rusted... Nby can you explain?*

### *Sleeping it Off?*

*Skybreaker found a large group of fighters resting after fights in Alterac Valley and Arathi Basin... Too Tired to make it to the Inn, these fighters have been going non-stop!*

## *Redwood Tribes News*

### *Skyseer's View*

*I am Okwaho Skyseer, adviser to the Redwood Tribes, Seer of the Earthen Ring, and speaker to the editor that writes these words.*

*What draws the Horde together? Sometimes, I do not know, but I see many attempting to make us stronger.*

*The more we congregate, the more we share and learn, the more we come to the aid of each other, it has to be helping. At least, I hope so.*

*But I must say, there are ties that bind that are not yet tied together. Allies that have not signed documents of allegiance or smoked the Pipe of Peace,*

*And there are family issues yet to be resolved, even as we join under the banner of Redwood.*

*There is still much to achieve.*
