Welcome to Highmountain

Various Locations, Highmountain

01.27.2021 and 01.29.2021

Camping, the Highmountain Way!

Leidolfr, tour guide of the famous Torahate and Leidolfr Tours and Mountain Climbing business, led the way for some new adventurers and campers to choice locations throughout Highmountain.

Starting the mini-vacation, the group's first night was spent overlooking Sylvan Falls for some sightseeing and storytelling. Most of the group sought shelter for the night, except for veteran Shu'halo Dodoa and the tour guide, himself, Leidolfr Redwood.

The next night, the young tour guide, led the group to the North coast of Highmountain and the tiny fishing village of Shipwreck Cove. As the group enjoyed some fishing, Anchorite Karam landed a big one... and at about 12 feet in length it did not look happy at the situation. As it started to splash and threaten to bludgeon the campers with its fins, the Anchorite levitated the fish out of the water and Council Dodoa finished off the beast before anyone's fur... or skin, got wet! Everyone retired back to the campfire and enjoyed several slices of cooked fish, courtesy of Leido!fr, master chef of Leido!fr's in Orgrimmar when wearing one of his other entrepreneurial hats. And, since they could not possibly finish it all, the Tribesmen gave the rest to the locals so it would not go to waste.

Night 3 was spent at the foothills leading up to the Peaks of Highmountain itself. A tour guide has to know when the Summit winds are too dangerous to continue. Council Dodoa, Sunwalker Maholta Firetotem, and Leido!fr spent the night enjoying each other's company, knowing the day will come when the group will tackle the hike up the summit!

A Sermon at the Barrens Scar

Outside of Crossroads, The Barrens

02.01.2021 and 02.03.2021

At the cavernous damage, which now separates North and South Barrens, damage wrought by the passage of Deathwing, Anchorite Karam gave a Sermon to those members of the Horde willing to hear.

She affirmed the strength of the races of the Horde and after outlining several tragedies and disasters that are still being faced today... a large Sword in the Earth Mother, constant invasions, and countless other dangers, Karam insisted their existed a tool and a way to make things right.

Of note, did the audience notice, the Anchorite failed to state what that tool is... Perhaps we can learn what it is, and start to help the Earth Mother, instead of expecting her to help us.

Perilous Escapades

Bastion and Maldraxxus

02.01.2021 and 02.15.2021

Both Okwaho and Leidolfr lead Redwood as they begin to search out the locations on each of the maps found in the mechanical lock box.

First stop, Bastion, with Kokorii Rumblestream, Anchorite Karam, and Sunwalker Maholta Firetotem. The well known tracking skills of the Shu'halo saw the Firetotem brave find the first puzzle piece... and immediately the former Sage of the Tribes knew what they searched for, but not why.

Found buried and secreted by the tall grasses was the back of a timepiece, carved with a rune, by the hand of Leidolfr himself one night at a Roadhouse long ago. It came as no surprise to Leidolfr that next in his new home of Maldraxxus, amid the refuse in the House of Eyes, the group found the front face to the timepiece.

Despite finding the objects, the group still was unable to make a connection between the new lands of the punished dead, the Twilight Cult, and an old Wurm of the Infinite Dragonflight. Hope or Dread, remains to be seen.

Chief's Corner

Greetings all!

Interesting news is crossing my writing desk and I am most curious to see it all play out. Could it be that we are on the verge of healing Azeroth? This is what it seems to suggest, if someone really does have the means. Honestly, since the devastation of countless wars, dragons, demons, and titans, our world has paid the price of our folly. We have been given chance after chance to work together to protect and keep safe our world and each other, but we choose to continue strife over safety.

I do my best to stay out of these Shadowlands, but the news comes in daily of altercations throughout Bastion and Maldraxxus... and yet, no report of Sylvanas being brought to justice.

Put aside the differences, we only have one Azeroth.

Tasty Treats: Sommer Starsong, The Ashen Vale

Mac and Cheese for the Azerothians

Ingredients

1 lb. dried elbow pasta
1/2 cup unsalted butter
1/2 cup all purpose flour
1 1/2 cups whole milk
2 1/2 cups half and half
4 cups grated medium sharp cheddar cheese divided (measured after grating)
2 cups gruyere cheese divided (measured after grating)
1/2 Tbsp. salt
1/2 tsp. black pepper
1/4 tsp. paprika

Directions

Preheat oven to 325 degrees F and grease a 3 qt baking dish (9x13"). Set aside. Bring a large pot of salted water to a boil. When boiling, add dried pasta and cook 1 minute less than the package directs for al dente. Drain and drizzle with a little bit of olive oil to keep from sticking.

While water is coming up to a boil, grate cheeses and toss together to mix, then divide into three piles. Approximately 3 cups for the sauce, 1 1/2 cups for the inner layer, and 1 1/2 cups for the topping.

Melt butter in a large saucepan over MED heat. Sprinkle in flour and whisk to combine. Mixture will look like very wet sand. Cook for approximately 1 minute, whisking often. Slowly pour in about 2 cups or so of the milk/half and half, while whisking constantly, until smooth. Slowly pour in the remaining milk/half and half, while whisking constantly, until combined and smooth.

Continue to heat over MED heat, whisking very often, until thickened to a very thick consistency. It should almost be the consistency of a semi thinned out condensed soup. Remove from the heat and stir in spices and 1 1/2 cups of the cheeses, stirring to melt and combine. Stir in another 1 1/2 cups of cheese, and stir until completely melted and smooth. In a large mixing bowl, combine drained pasta with cheese sauce, stirring to combine fully. Pour half of the pasta mixture into the prepared baking dish. Top with 1 1/2 cups of grated cheeses, then top that with the remaining pasta mixture.

Sprinkle the top with the last 1 1/2 cups of cheese and bake for 15 minutes, until cheesy is bubbly and lightly golden brown.

Tales from an Alternate Time

What is Going on in the Swamp?

Stonard, Swamp of Sorrows
January 24, 2021

[Click for Calendar](#)

Roadhouse arrived at Stonard for the first time and seemed to have impeccable timing, as a celebration was in the making. Long time Grinner and Whelpmistress Stallanta, who had been missing for awhile, had just been found... and returned from the future, though the memories of what she experienced were fading away. Tending bar at the Roadhouse was young Leidolfr, actually still stuck in the past, so maybe the Sage had sent him for a reason.

Raush Clóudsong was re-united with her friend Jayzakk, though his lack of arms and

being left to his own devices in the Swamps, while armless, seemed to bring more consternation to Raush and Leidolfr than it did to the troll... and to the Grin. Perhaps the new Ambassador to the Grin, Tawahne Grimtotem, will be able to clear up some differences of opinions on Grot handling.

How to Make Friends... and Enrage Enemies

*Sun Rock Retreat, Stonetalon Mountains
January 30, 2021*

Sun Rock Retreat, ancestral lands of the Firetotem, saw an interesting Redwood Tribes only meeting. The Sage brought two concerns to the Tribes and was flatly denied by the Council, the ruling body of the Tribes.

The first concern centered around the growing number of Grimtotem amongst the Tribes and whether or not they should have a 4th council seat opened to represent them.

The argument against, and proving to win out, was that the Grimtotem fell under the one Shu'halo council. However, rumor has it that talks have opened with Branharak Skybreaker to be more inclusive and to learn about Grimtotem history. One thing that seemed to hurt the Sage's motion was the revealing of Edinbev Grimtotem at the meeting... who had disguised herself as a Bluffwatcher Edalla Darkmane and joined the Tribes, for what purpose was unknown.

The second issue concerned the Alliance with the Hand of Lordaeron.

As the Sage sees it, there was never a signed treaty in the first place, and the Hand had not been reciprocating in any way, and mostly had not acknowledged what help they had been given, especially with the current Scourge invasion.

One thing is clear, the Sage has been in a mood when it concerns the Hand of late... Could be it started at the last debate.

On the Lighter Side!

Roadhouse at the Spirits of the Earthmother Brewery

Lower Rise, Thunder Bluff
January 31, 2021

The brew has been improving says one returning patron.

For starters, was that Council Branharak Skybreaker cooking up and adding a little sweet flavoring?

Watches, runes and music of the bones highlighted the evening's festivities, but it may be the added hugs from Raush Cloudsong that has made the new brewery a welcome and wholesome home for Redwood and their friends.

Scarlet Wars - And Alliance Killing

*Undercity Courtyard, Outskirts of Brill, and Scarlet Monastery, Tirisfal Glades
February 3, 2021*

Rag'tagar Flarefang and several Redwood members made an incursion into the Scarlet Monastery located in Tirisfal Glades, looking for information and to put an end to the Fanatics search for power. However, as they arrived, they dispatched some scrupulous gnomes preying on the newly risen in the Undercity's Courtyard.

Upon entering the Monastery proper, information was gathered from a secret room appearing to point to further investigations needed in the area of Light's Hope Chapel. Redwood returned with the documents to further study and plan their next move.

Rumors Heard at the new Spirits of the Earthmother

Seen here, The Sage of Redwood down on his luck of late has been sitting and sleeping in many places ... besides his own tent.

Do you know this Peon? Word is, the Peons are coming to the Bluffs for the next debate. Get your tickets while they're hot for what may be the funniest debate yet.

Breaking News

Overheard at a recent Roadhouse... Longwalker Kaylan Ragehorn seen sharing confidences with the Sage of Redwood. Despite denial, attendees, led by Star Comedian Kathley and blind Blackplague, suggest that the Longwalker has confessed her attraction to the Sage... and the Sage walked away in silent rebuttal, leaving the Longwalker broken hearted. Recently, the Sage also denied attraction to the Tribe's Chieftain Ayashe Brightmane, and no one knows who the Chieftain has designs for... stay tuned for "Love on the Bluffs!"

Radiant Incursion

*Sunrock Retreat, Stonetalon Mountains
February 5, 2021*

Almost every quarter moon, and in between, Redwood Tribes can be seen gathering at the Crossroads under the Kree behind the Inn. This night was no exception, however there were fewer Redwoods about, as many had been called for fighting in the area of Blackrock Mountain and would be late to arrive.

Those present were enjoying themselves when a message arrived for Longwalker Kaylan Ragehorn. There was trouble advancing on the small village settlement of Sun Rock Retreat in Stonetalon Mountains. The Sage, Tawahne Grimtotem, and the watch salesman, Lewid of Redwood, immediately took to the road, with the Longwalker picking out the easiest and fastest trail. Tawahne had some additional information concerning an exiled Grimtotem, Ohone, who was known to be the leader of a band of marauders acting out of Feralas; however, none could guess as to why they had come so far North.

Redwood's advance party came to the main entrance of the retreat, the small village settled at the bottom of surrounding hills, and a trail that rose towards the East with quicker access to Desolace.

Both the Longwalker and the Sage knew the roads well and as they stopped at the entrance both grew wary of the new dark furred Shu'halo that stood next to the Orc grunts that normally were stationed there. Both declined to enter the small town and let their group further up the road to stop and make plans.

As they headed up the next rise, the unmistakable smell of decomposing remains assailed them. They quickly found Elder Earthhorn, beaten and left dead behind a small copse of Redwoods. While they debated their next course, Lewid was able to find maps and letters buried at the base of one of the trees... Elder Earthhorn had made an escape from the village, but obviously knowing he would not make it far, had stopped to hide what information he could.

Unsure how many marauders were in the town, but with new information that the attack would happen any moment, the four of them climbed a small hill to overlook Sun Rock Retreat. They found one archer further down the wall from them, and two more across the way, as well as mounted and pedestrian Grimtotem braves within the village, strategically placed near the normal guards. Tensions high, Lewid made his way stealthily into the camp, while the Sage attempted to cut around back and get to the other hills to dispatch the two scouts visible there. As the Sage jumped down at the back of camp and Mu'sha's leading edge skirted the horizon, the leader of the bandits began to bang on the war drums of his massive Kodo and the attack began.

Tawahne finished what the Sage had attempted to do, her skill as a huntress spelling an end to the other archers across the canyon. Longwalker Ragehorn leapt down into the camp and made her way to the large gathering tent to defend the guards and civilians, while Lewid began to make quick work of the nearest marauders near at the Inn. The Sage stepped forward in front of an unprepared Orc Grunt and took a staggering mace blow to his chest, but once the surprise was done, the Sage took the marauder's life swiftly.

Hearing an explosion towards the center of town, a bomb having gone off in the direction of the Longwalker, the Sage began to move in that direction rallying the defenders of the village with a loud cry, "For Earthhorn!" Lewid, showed off a few Troll tricks, leaping onto the backs of mounted riders to quickly dispatch a few more raiders. Suddenly there was another Redwood, as Grom'chok landed atop a Gryphon and immediately unhitched his axe to get into the action. As the momentum quickly shifted in favor of the Tribes and denizens of the retreat, the enemy leader charged the Longwalker, his lance catching her high in the chest. Other raiders, not so disciplined, began to retreat, two running in the Sage's direction, but Okwaho Grimtotem gave no quarter and killed them without hesitation. The Orc grunts helped to finish up any remaining riders, while Grom'chok, Ragehorn, and Lewid took down the leader.

The town safe, the Longwalker saw to the defenses, while the Sage started efforts to track down any other threats... and to gather more information.

Whoever this Ohone Grimtotem is... if you are reading this... Redwood is coming for you.

Jak'thra

*Gurubashi Arena, Stranglethorn Vale
February 6, 2021*

The Sage had been wet behind the ears the last time he attended Jak'thra, or is that wet behind the horns? But this time, he said little, greeting or nodding to only a select few. Until it was time for those that wished to be raiders to test, he said and did very little but watch and study.

Finally, the call came for any that wished to take part to jump into the pit, and the Sage of Redwood, along with Tribunal Rag'tagar Flarefang took their spot waiting to be chosen. Surprised, the Sage waited no time at all, as Pogo'pogo yelled out "Sage!" on the very first choice of the tournament. From there the two quickly continued choosing a formidable team, including Flarefang. With a few tricks up each of their sleeves, the team made quick work of the competition and secured an easy victory for their leader... and a new appreciation for each other. For Okwaho, it opened up a bridge to re-connect with an old friend and to make many more.

When asked how he did it, Pogo'pogo said, ""Yah been whammied! Nevah undahestimate tricky trolls, mon."

Roadhouse in Brill

*Gallows' End Tavern, Brill
February 7, 2021*

Hot on the heels of Jak'thra, Roadhouse traveled to the Eastern Kingdoms and the Gallows' End in Brill. And from the gathering, Roadhouse had been missed!

Hand of Lordaeron members and a lot of new friends from the Grin mingled with the Tribes and any tensions were kept relatively below the surface, though one Orc was seen berating and seeking answers from the Sage for the recent debate concerning the Forsaken. Aside from that, there was the music of the bones, dancing on chairs and tabletops, with even the Sage on a table at one point, and some side mysteries on the outskirts of the Inn.

All in all, there was alcohol, intrigue, laughter, and some surprises. Perfect Roadhouse!

Flea Market with The Lighthouse

*The Courtyard, Undercity
February 13, 2021*

The Lighthouse opens the gates to a Flea Market in the Courtyard of Undercity and the area become flooded with Lighthouse, Tribes, Hand of Lordaeron, Blacktooth Grin, and more.

Seen purchasing a few items, one a present for new Redwood member Tawahne Grimtotem, the Sage of Redwood is later seen sitting back, relaxing, and enjoying himself as the merchants exchange items for coin and donations to the Lighthouse. A good night all around for those buying, selling, and relaxing with friends.

Oh never mind. You all believe what you want to believe.

On to business, raiders have attacked Sun Rock Retreat. Any information concerning the leader should be given immediately to the Longwalker. These marauders will be brought to justice!

The Scourge also needs to be dealt with. If you are able to help, even with supplies, contact the Longwalker.
