Welcome to Orgrimmar

Wyvern's Tail, Orgrimmar 01.05.2021 and 01.12.2021

*Highmountain account, by Leidolfr
Redwood.*

Bar night always start very calm.

*One night, Leidolfr is sitting on air,
another night Goblin try to sell Leidolfr
hoof scratchers or antler cream.
Whichever it was, no need Must think
all Highmountain are easy! Joke on
him, Leidolfr no have many coins, but
has much common sense.*

But then, best part happens! Dwarf visit

Orgrimmar, sight see all the way to Valley of Honor one night, but Gravy say he have not enough ale for them, please see them out! After Dwarf leave Wyvern's Tail, they tour portal room... like they have not seen it before.

Goblins and Leidolfr rally the Orgrimmar faithful and shoo the Longbeards out of our home: Leidolfr hear they come back though, so get ready to see them again and come say hello!

Note on Antler Care: Many Goblin seem very concern with Leidolfr's antlers, cracking or shedding, in Winter. Is all good. Leidolfr know best trees to scratch when itchy... Redwood trees in Stonetalon, of course!

Perilous Escapades

Winterspring to Mount Hyjal

01.11.21

Okwaho Skyseer called for assistance and as always the Tribes arrived in Winterspring ready to help.

The former Sage of the Tribes shared information from a weathered and worn scroll he had carried with him for many years; kept safe in his pouch from before he went to Northrend to fight the Lich King alongside allies and friends. He was to read it at a location, a bridge, that no longer existed thanks to the Cataclysm.

The scroll hinted that a time would come when he would be called again to Ghost Walker Post and Okwaho had done as foretold and now held another scroll... One that appeared to be newer... but blank. Fortunately, Mokalyne Wildmane was able to produce some herbs she ground together and sprinkled over the scroll illuminating the writing. His old enemy from the Infinite Dragonflight had written this scroll and appeared to be asking for assistance. When the Infinite Dragonflight needs help from mortals, what must they truly about to face.

The words of the scroll led them to a location in Mount Hyjal. In addition to defeating an agent of the Twilight's Hammer, the group also found a puzzle box or something that appeared to have its own power source and was spinning and sliding open panels and drawers at will.

Okwaho and the rest left the lands of Hyjal wondering what it contained... and what foes and troubles lay on the horizon. Next Stop: Dalaran and the opening of the puzzle box...

Chief's Corner

Greetings all!

There have certainly been a lot of strange happenings. People out of Time, People back into Time. For those that made it back here, welcome, and for those who went back to the past and alternate time lines, Earth Mother Watch over you, and hope we here that things went okay.

Leidolfr has been very silent about the past he visited, and the Sage seems to be very quiet about what they have experienced, as well. Until this newest escapade. Perilous indeed and I do not like the sound of meddling time dragons that claim to be your friend after they tried to destroy all of time. Be careful Tribes! I like when I am.

Stallanta's Travels in Time

1.20.2021

Caverns of Time

Leidolfr barely make it to cavern to see old friends, including Regag, Leidolfr like this word, Gorfrunch Smashblade of the Blacktooth Grin. The mission to send old friend back to their own time... which Leidolfr used to be at.

Is not easy to power portal in time, but even harder with big dragon attacking.

Leidolfr help, but not before sadness strikes and old friend perish in Caverns.

Of course, Leidoifr already know if Stallanta make it home or not... That is one good thing about travel in time.

Tasty Treats: Tradrie, the Dawnbreaker

Incredibly Moist and Easy Carrot Cake - not carrot on stick

Ingredients

2 cups (250 grams) all-purpose flour
2 teaspoons baking soda
1/2 teaspoon fine sea salt
1 1/2 teaspoons ground cinnamon
1 1/4 cups (295 ml) canola or other vegetable oil
1 cup (200 grams) granulated sugar
1 cup (200 grams) lightly packed brown sugar
1 teaspoon vanilla extract
4 large eggs
3 cups (300 grams) grated peeled carrots (5 to 6 medium carrots)
1 cup (100 grams) coarsely chopped pecans
1/2 cup (65 grams) raisins

FOR CREAMY FROSTING

8 ounces (225 grams) cream cheese, at room temperature
1 1/4 cups (140 grams) powdered sugar
1/3 cup (80 ml) heavy whipping cream
1/2 cup (50 grams) coarsely chopped pecans, for topping cake

Directions

MAKE BATTER

Heat the oven to 350 degrees Fahrenheit (176C). Grease two 9-inch round cake pans and line the bottom with parchment paper then grease the top of the paper. Or, grease and flour the bottom and sides of both pans.

In a medium bowl, whisk flour, baking soda, salt, and the cinnamon until well blended.

In a separate bowl, whisk the oil, sugars, and vanilla. Whisk in eggs, one at a time, until combined.

Switch to a large rubber spatula. Scrape the sides and bottom of the bowl then add the dry ingredients in 3 parts, gently stirring until they disappear and the batter is smooth. Stir in the carrots, nuts, and raisins.

BAKE CAKE

Divide the batter between the prepared cake pans. Bake until the tops of the cake layers are springy when touched and when a toothpick inserted into the center of the cake comes out clean, 35 to 45 minutes.

Cool cakes in pans for 15 minutes then turn out onto cooling racks, peel off parchment paper and cool completely. (If you find that a cake layer is stuck to the bottom of the pan, leave the cake pan upside down and allow gravity to do its thing).

TO FINISH

In a large bowl, beat cream cheese with a handheld mixer on medium speed until creamy, about 1 minute. Beat in the powdered sugar, a 1/4 cup at a time until fluffy. Pour in cream and beat on medium speed for 1 minute. Chill covered until ready to frost cake.

When the cake layers are completely cool, frost the top of one cake layer, place the other cake layer on top. Decoratively swirl the top of the cake with remaining frosting, leaving the sides unfrosted. Scatter nuts on top.

ADAM AND JOANNE'S TIPS

Traditional Cream Cheese Frosting: In a large bowl, beat 16 ounces of cream cheese and 1/2 cup of softened butter together for a minute or two until smooth. Add 4 1/2 cups of powdered sugar, 1 1/4 teaspoons of vanilla extract, and a pinch of salt. Beat for 2 to 3 minutes until extra creamy. If it is too thick, add 1 tablespoon of cream or milk.

How to Make Carrot Cake Cupcakes: For cupcakes, we'd recommend baking for 14 to 18 minutes (or until a tester inserted into the center of one comes out clean). Then let them cool for a few minutes in the cupcake pan before transferring them to a cooling rack. The recipe should make 22 to 24 cupcakes.

Using a bundt pan: We have never done this in our kitchen, but a 10-cup or 12-cup Bundt pan should be fine for this recipe. You will likely need to increase the baking time by about 30% in the 10-cup pan, somewhat less in the 12-cup.

Using a 9-inch by 13-inch pan rectangular pan: Simply add all the batter to the rectangular pan and bake. The bake time should be similar.

Recipe inspired and adapted from Smitten Kitchen's Recipe for Carrot Cake Cupcakes.

Nutrition facts: The nutrition facts provided below are estimates. We have used the USDA database to calculate approximate values.

Tales from an Alternate Time

Holding the Line

[Click for Calendar](#)

Jan. 8 2021

The Great Lifts, The Barrens

Bones of some attackers litter the grounds after the Tribes cut the ropes to the Great Lifts, and leave them stranded to their fates.

Obsidian Council, fresh from victories in the canyons of 1000 Needles, made a push to break into the South Barrens. The Tribes stood tall, initially at the bottom of the The Great Lifts, but a second wave of Alliance caused a mass withdrawal up into the Barrens.

Seeking to make a stand, the Tribes spread out before the Lifts, but there were not enough to hold back the determined attackers. With no other choice, Master Gin'jojo cut the ropes to the Lifts himself, and stalled the advance of the Alliance.

Word now comes from Feralas of the Alliance incursion... when will the Horde stop this heinous assault

May we borrow your Crypt?

Jan. 9 2021

Crypt, Stormwind

The Sage and many others were informed ahead of time that they would receive a summons. Not a scroll type summons sent on the wings of an Eagle, but one of the disgusting fel-smelling dimensional pulls of a warlock at a specific time as An'she was on his descent from the Sky Father's domain.

When the summons took hold of his body, the Sage did not blink, and even schooled himself to not scowl as he appeared in a crypt, far below a tavern in Stormwind.

The Blacktooth Grin had worked a deal with the Tribes Oshkibi, Kaylla, to host a gathering beneath Stormwind before a surprise assault on the Alliance capital.

The party went well, but once they clambered out of the Crypt and up to the Tavern, the Stormwind guards swarmed and many scattered to find their way out of the pinkskin's city.

Redwood Roadhouse Visits Desolace

Jan. 10 2021 Shadowprey Village

A nice relaxing Roadhouse at the seaside Shadowprey Village, in Desolace turned into a clambake, fish fry, and all around good time for the Tribes and their friends. New initiate, Tawahne, insisted on playing tag with the Sage, Raush Cloudsong, and one time Tribesman and clever engineer Jayzakk as the night wound down. As a side note, Cloudsong also noticed and brought to the attention of many that the Sage's unknown illness appears to be worsening, much to the Sage's ire.

Visiting Family w/ Tribes Escort

Jan. 13 2021 Morshan Ramparts, Barrens to Felwood

The Tribes do not let anyone wander to Felwood alone as Raush Cloudsong soon found out. After words with her mother, Raush and company took the forests of Ashenvale before entering the estranged land of Felwood. Of course, they all felt the disease that burdened the land and beasts, sadly striking down the tainted wildlife that crossed their paths.

On the other hand, they had no qualms killing and scattering the Kaldorei that thought them easy prey. Finally, they arrived at the Post where it was plain to all, Raush Cloudsong's elder stood before them. Some broke away, but a few spoke to the Elder until it was clear that the family bonding was to begin.

On the Lighter Side!

Jan. 9 2021 Courtyard, The Undercity

The Lighthouse Bake Sale

The Lighthouse hosted a fundraiser, and who wouldn't be inclined to give generously when faced with multiple great chefs and tasty rice cakes smothered in marshmallows. Just ask the Sage, but try not to interrupt him while he is eating his portion of rice krispy marshmallow treat, or licking his fingers afterwards.

The Lighthouse is hosting a Flea Market next cycle of Mu'sha, so get ready to buy and sell!

Jan. 15 2021 Crossroads, The Barrens

Okwaho arrived at the Weekly Circle to find mostly Blacktooth Grin, until finally more of the Tribes started to arrive.

Laughter was had by all as Regag Gorfrunch Smashblade was tagged by new tribesman Tawahne... It seems Smashblade remembers the distant past when he too played games and walked both ways up a mountain in a storm with only one boot? For many, it was a relaxing get together, but then... is that a Taunka in the Barrens? And we thought Leidolfr was strange.

Rumors Heard at the new Spirits of the Earthmother

Hot off the Press:

Shu'halo youngling gifted in Alchemy seen in Undercity peddling... wares? Word on the canals, some of the Forsaken alchemists are getting a little upset at being outsold and this youngling may get what is coming to him. From the looks of it, Hand of Lordaeron and Redwood Tribes have quite the hook up through their new supplier.

Spooky Warlock in the Crypts of the Undercity! But when you ask the denizens of The Slaughtered Lamb, they deny knowing this one. Be on guard!

It seems Raush Cloudsong is taking after the Pathfinders in Redwood Tribes. Rumor has it OaTS and Jerky are owed for her latest accomplishments.

Rites of Passage

Jan. 18 2021 Bloodhoof Village - Rite of Strength

Okwaho Skyseer led the way to the outskirts of Bloodhoof Village and let Tribesman on a Shu'halo Rite of Strength common to that area.

While all passed, some questioned the methods and the meaning behind the Rite of Strength.

More than anything it showed that while one Tribes, there is still much to learn of each other's cultures and how individual tribes may even vary among the Shu'halo.

The beleaguered Sage spent the next few days continuing to respond to inquires about his methods.

Thunder Bluff Debate Society

Jan 22 2021 Amphitheater, Thunder Bluff
Topic: Is it Time to Cut Ties with the Forsaken

The Sage went for a hot topic to start the 2nd season of Thunder Bluff Debates! The Forsaken were heated before they ever arrived and then the Longbeards arrived, erupting from the central totem stairwell. The only time things were not divided was each time the Dwarves came back for more; the participants and guests as one, met them head on every time and kept them away from the High Chieftain, except for one time when a guest feared a longbeard into the High Chieftain's tent. That Dwarf surely has a shiner from the Longwalker's mace over that!

So on one side you have a debate and on the other, a showing of a United Horde! Still, at the end of the night, it seemed not everyone was convinced that the Forsaken should be allowed to remain and friendships seem strained!

Redwood Tribes News

Skyseer's View

I am Okwaho Skyseer, adviser to the Redwood Tribes, Seer of the Earthen Ring, and speaker to the editor that writes these words.

I sit and write this with many possible changes on the horizon. I should be thinking about speed dating at Mardi Grob for Love is in the Air, or about our next Thunder Bluff Debate highlighting some questions for the Peons. (Please, Earth Mother, make the Peons make sense)

But instead, the influx of Grimtotem and how they wish to be seen shares a major space in my mind, along with our alliances and friendships within the Horde and without. Do not worry, Redwood no longer seeks a trade agreement with the longbeards; Thunder Bluff brews match and exceed their ales thanks to the grains of Mulgore. But death threats and false claims of friendship will no longer be tolerated!
