Friendsgiving 3

Light Hope's Chapel

11.29.2020

The Ashen Vale and Redwood Tribes meet for the 3rd anniversary Friendsgiving in Light Hope's Chapel. Compared to the previous years, some of the parties present greeted each other like old friends, while others seemed to barely remember the last two meetings and festivities had ever happened. The food was fantastic, and then it was time to race while many asked each other about what they thought of Sylvanas and the new realm she had opened up above their very heads. See you all next year... we hope!

Rites of Passage

Stonetalon Mountains

11.30.20

Sunrock Retreat saw a great gathering of Tribesmembers from both Frostreaver Clan and Redwood Tribes as many completed another Rite of Passage. This time the Rite of Honor, one of four rites as Tribemen learn and grow within the Tribes and train to become elders. There was no lacking fighting spirit and all seemed to genuinely understand the concept of Honor as they faced each other in one-on-one duels throughout the glade.

Chief's Corner

Greetings all!

Well, I did make it to the Shadowlands, after all. I must be a fool, despite being a Sage.

Not sure what I will be able to do out here, so for now, I am staying in Oribos and concentrating on learning on all I can to assist the Tribe and all of us, to be honest.

Meanwhile, there is talk that the armistice is faltering, even as some of our leaders are stuck in this Torghast Prison. At least there was word of yet another Dwarven attack on Orgrimmar and the portal room. This time, however, the Horde was waiting and watching.

And... their are rumors some of the Tribe have been called to Mount Hyjal by the other Sage, Okwaho Skyseer. I am awaiting word on those Perilous Escapades.

Earth Mother watch over us!

Fishing in Shadowlands

Shadowlands The Tribes Go Fishing

The Tribe begin their excursions into the Shadowlands with some fishing.

And what goes with fishing, cooking and laughter.

The Tribe began fishing in the new lands with Ardenweald and more recently found some fish in the green slime of Maldraxxus...are we eating those?

Tradrie, the Dawnbreaker*

Apple Pie Cupcakes

Ingredients

Batter:

4 cups all-purpose flour
2 tablespoons baking powder
1 teaspoon ground cinnamon, or to taste
½ teaspoon ground nutmeg, or to taste
3 cups white sugar
1⅓ cups milk
6 eggs
1 tablespoon vanilla extract
2½ cups unsalted butter, melted
3 apples, peeled and diced

Ingredients

Icing:

2½ cups unsalted butter
2 pounds confectioners' sugar
½ cup milk
5 tablespoons ground cinnamon
2 tablespoons ground nutmeg

Directions

Step 1

Preheat the oven to 350 degrees F (175 degrees C). Line 24 mini muffin tins with paper cups or grease with butter.

Step 2

Combine flour, baking powder, cinnamon, and nutmeg in a bowl.

Step 3

Beat sugar, milk, eggs, and vanilla extract together in a bowl using an electric mixer until creamy. Gradually add melted butter to the mixture. Add the flour mixture gradually, beating until combined. Fold in apples. Pour batter into the mini muffin cups.

Step 4

Bake in the preheated oven until golden, about 15 minutes. Cool on a wire rack for 5 minutes. Run a table knife around the edges to loosen. Invert cupcakes carefully onto a serving plate or cooling rack. Let cool completely, at least 15 minutes, while making the icing.

Step 5

Beat butter in a large bowl using an electric mixer until creamy. Gradually add sugar, milk, cinnamon, and nutmeg, beating until well blended. Spread icing over the cupcakes.

Shamanic Journey of Healing 2

Orgrimmar

12.21.2020

The Redwood Shamans called for another Journey of Healing through the Capitol and surrounding lands to celebrate the Winter Solstice. Other healers of the Light joined them and together they marched and healed the land, the people, and the spirits of all they encountered. It was only towards the end was a break taken to enjoy the Holiday festivities with a cheerful sleigh ride and perhaps found some healing for themselves.

While the Tribe strives for peace in a war-torn world, they are willing to stomp out all the campfires across Azeroth, because they are not on the menu tonight! So, until the alliance start fishing and stop hunting Shu'halo, this is the Tribe that will stop you. They enjoy boating, especially gliding out to sea in those nice galleons sitting in the Boralus harbor, mountain climbing from Dun Morogh to the peaks of Kul-Tiras, and they always enjoy a good fight! The Tribe enjoys BBQ, as well, and will bring plenty of Firewater to share with friends... Do you want to be friends? Or enemies? The choice is yours!

Tales from an Alternate Time

Big Trouble in Little Stonard

[Click for Calendar](#)

Nov. 24-29 2020 The Barrens, Swamp of Sorrows and everywhere in between

Blood Feud Ended - Enough is Enough says Sage Okwaho Skyseer. While the Sage and Chieftain had traveled to Stonard in peace and willing to make things right, the Grin that came to the Barrens for blood opened the door for the Sage to make a case to thwart them.. not to mention that Shonte Daud physically lives. Even as the Grin escaped the Kor'kron imprisonment, hastily written scrolls were sent and both sides realized they each could have communicated better to resolve the issue before it came to invading the land the Tribe as sworn and honor bound to defend.

Meanwhile, the Tribes' Council reminded the Warlord, who started the feud in the first place, and the Sage that they answer to the Council... a lesson both needed.

Oh... and the Witch Doctah, Council Zel'wah, has offered to assist about the tormented soul of the original Shonte Daud... will the Grin take him up on that offer?

May we borrow your Forge?

*Dec. 2 2020
Badlands to Ironforge*

Redwood Tribes and allies assault Ironforge... just for a few minutes, while Bluff Captain Kaylan Ragehorn took up the blacksmith's hammer, and crafted the Hand of Sulfaras, which has served her well ever since.

But will the Longwalker think if the Tribes are able to get her home?

The Grin Stole Winter's Veil?

Dec. 14 - 16 2020 - Dun Morogh

Whether you were at Inductions or Thunder Bluff, word soon arrived that the Blacktooth Grin had stolen the Winter's Veil presents... and offered the Hand and Redwood a riddle to lead them on a merry chase to Dun Morogh to face off against the longbeards.

The Grin then led the allies around Dun Morogh and into Ironforge itself before finally meeting up with Regag Gorfrunch Smashblade who explained the Grin's lesson and gave out presents to honor the season.

Okwaho was reminded that of all the races, it is only the Dwarves that understand the season's message as the Shu'halo do. It seemed a surprise to the Grin that the Tribes and the Hand had no problem crossing blades with the Alliance, and there would be more opportunities to do so again on the horizon.

Of course, there was a preponderance of gnomes that seemed to have joined the Horde this night?

The Scourge!

12.03.2020 Light's Hope Chapel

As the lands saw the Invasion of the Scourge, cub reporter for the Redwood Times found himself in Light's Hope Chapel mingling with Horde and Alliance equally. Perhaps that reporter's press pass we hand carved was critical to his success. Of course, this is not about Peace between Horde and Alliance, this is only about a common enemy and the Argent Dawn. But on this day, no harm came to a wide-eyed young Shu'halo reporter.

Trapped in a Pocket of Time

Dec. 20 2020 - Caverns of Time

Skybreaker and the Tribes, along with their allies in the Hand and Grin, were finally ready to pierce the Caverns of Time and the repeating time bubble where they thought their Longwalker was being held.

What did they find? Another of the Infinite Dragonflight, toying with the rescuers, or so it thought.

Armed with time pieces from the bronze dragonflight, the allies were able to focus on the task at hand, defeating everything that attacked them, including a massive and powerful Dragon and saving Kaylan Ragehorn, the younger.

Far above them, was a silhouette of another group huddling around another victim: someone from the future, an alternate reality, or another traveler finding their way home... We may never know... or we may learn in Stonard on Jan 24, 2021

Rites of Passage

Rites of Passage - Undisclosed Location - House of Jani

Okwaho Skyseer seen here joining a very specific Troll Rite of Passage where the Loa, Jani, was the guest of honor. To understand more, the Sage participated in the rite ... as did Warlord Ginjojo. Are these two finally agreeing on things?

Breaking News!

Strange looking Shu'halo ride the road from Bloodhoof Village to Thunder Bluff... Or, those are Orcs! Are they riding to war against the Bluffs. Maybe instead of safety railings to stop visitors falling off, we may need to build them up as a defense against attack. Of course, these Orcs are not attacking Thunder Bluff, they are tribesmen of Redwood returning to the Bluffs from a recent Rites. Lok'tar Ogar!

Redwood Tribes News

Skyseer's View

I am Okwaho Skyseer, adviser to the Redwood Tribes, Seer of the Earthen Ring, and speaker to the editor that writes these words.

Some of you have finally noticed that the Sage of Redwood Tribes has not been feeling well.

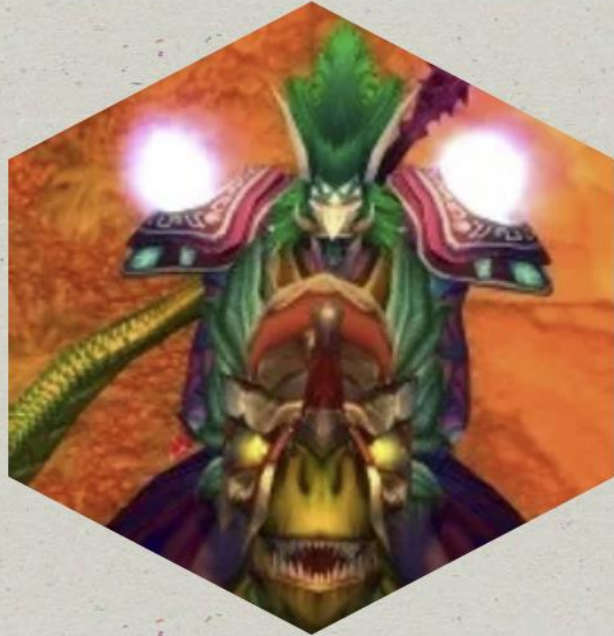

Well, there are many in the Tribes who are not well. But the Scourge have arrived as the Forsaken have warned. Regardless of injuries, spiritual or physical, there is only fighting off this threat. We will heal when it is time.

As we look to the Spring, we celebrate the growth of the Tribes and the coming together of the Tribes. We seem to be clashing less and less and looking to understand one another even more.

On the other hand, the Forsaken are probably wondering why the next Debate features them. It is best to get all concerns out in the open and let the Forsaken defend themselves, as we all have had to do as we build bridges.

Earth Mother watch over us all!
