Old Year/New Year

Happy New Year

01.01.20 by Lohkawas Wildmane

Just look at the Alliance and Horde gathered at The Menagerie in Suramar as they say goodbye to a year of strife and battle, and welcome in a year of danger along with a semblance of camaraderie.

Unfortunately, there are still reports of fighting and amongst ourselves while the shadows grow! Beware the daggers in the darkness, especially of those you think are on your side. Be well in the new year, friends!

Tall Tales & Epic Fables

Where the Fun is!

Desolate Clinic hosted by Desolate Conclave

Jan 16 2020

Cidolfus Volodin and Cadaverian... ordinarily a Shu'halo would go to the Tribe's spirit-menders and elders for healing, but when in Orgrimmar, or if suffering from something extreme, it is time to seek out The Desolate Clinic.

On the menu this particular night, a Pandaren not feeling too well after eating some yellow with red polka dot slugs, a druid cursed into tree form, a Paladin feeling off her game, and a check-up for a young Shu'halo monk.

Are they better now? Check back every Thursday!

Sermon of the Holy Light w/ Highlord Velicela Sunblade of Dawn of Azeroth

Jan 18 2020

The nights starts with a sermon. How the light heals and takes care of those that have faith. How the lands of the Plaguelands will be revitalized. Highlord Sunblade's faith is strong...

Until a newly arrived visitor asks questions as the sermon finishes.

Suddenly there is a challenge and stepping outside of Light's Hope Chapel a duel... only it is on the Highlord that strikes. The visitor raises no hand.

Is faith in the Light enough? Can the Highlord contain her rage? Return next week for answers!

Casino Night with Swiftsilver Cartel

Jan 22 2020

Every Wednesday, the docks of Booty Bay are transformed by the glamour of important dignitaries and glitter of gold coins as Swiftsilver Cartel hosts Casino Night!

Last night the "House" won big but word on the back alleys say this is just making up for previous losses and might be the only thing keeping the Trade Princess from meeting a fate she has sent others to in the past...

Seems like the docks are the place to be if you want to know more!

Chief's Corner

Greetings friends, Horde and Alliance!

Things are starting to look dimmer, as an Old God starts to assault our senses... and more importantly, some of us continue to fight each other. Black Prince, Diamond Dwarf, and anyone seeing some crazy looking eyeballs? Yes, me too. I can not say things look well for the Earth Mother.

We need to stand together now more than ever before, as the whispers will try to mislead us and have us turn on our friends... while those we thought were friends stab us in the back. Fun Times Ahead!

*May the Earth Mother Watch Over Us!
Lohkawas Wildmane, Sage of Redwood Tribes*

Rumors from The Lazy Turnip

Thrall

Thrall for Warchief!!! You hear the cry often as many see the former Warchief watching over Orgrimmar as he used to. But rumor has it that the former Warchief will continue to face opposition from those that do not want to see peace at any cost with the Alliance. Nothing changes in Kalimdor or the Eastern Kingdoms

Who is that Tree?

That is a good question? That tree is currently named Ben and possibly a last name of Barkwood. The tree can not remember his name at the moment and appears cursed. If you know this Druid, please reach out to the editor, so we can help!

So, until the alliance start fishing and stop hunting Shu'halo, this is the Tribe that will stop you. They enjoy boating, especially gliding out to sea in those nice galleons sitting in the Boralus harbor, mountain climbing from Dun Morogh to the peaks of Kul-Tiras, and they always enjoy a good fight! The Tribe enjoys BBQ, as well, and will bring plenty of Firewater to share with friends... Do you want to be friends? Or enemies? The choice is yours!

12.11.2019 *Ambassadors for Azeroth*

Ambassadors for Azeroth? As many looked on and doubted the need for an Ambassador program, a few brave souls stepped forward to take on the challenge of brokering peace in the form of land boundaries, trade agreements, conditions of surrender, and cessation of hostilities in some specific circumstances.

As this program is intended to treaty with the Alliance, thought it can help open avenues of communication between certain groups within the Horde, there will be information about forming an Ambassador Corp Amongst the Alliance soon

01.02.2020
Alliance Attack on
Thunder Bluff

At first the Alliance attempted to use the lifts at the back of Thunder Bluff to start their assault in the new year but were held off by stalwart defenders of the Horde. They fared no better as they met even stronger resistance at the entrance to the Bluffs. They did however, spark an interesting debate about safety railings. (See information on Thunder Bluff Debate Society)

01.13.2020 The Battle for Bael Modan
Clan Hammersong vs. Redwood Tribes

Word arrived that Clan Hammersong with help from Dwarven Overlords and more, sought to fortify the Bael Modan Keep in Southern Barrens and Redwood Tribes, along with many friends such as Atal'Alarion, Shattered Company, and Blacktooth Grin fought fiercely to dislodge the Dwarves.

Continued strikes throughout Kalimdor and the Eastern Kingdoms are expected now that battle has begun the Azeroth War-Campaign (AWC) has launched. More information on AWC below.

Travels and Adventures

12.12.2019

Village of the Dancing Trolls

You never know where the Trolls are going to lead you, until you follow them to a high pass over snowy mountains.

After clambering down a mountainside riddled with pitfalls, we found a secluded village of dancing trolls with a lovely lake for fishing. And that is not all that Redwood Tribes and Atal'Alarion found... what is in the mysterious cave at the top of the village? Unknown, but it was enough to cause the Trolls to run!

12.16.2019 Redwood Rescue Report: From the Gorge

When one of your own disappears, that is when the strength of the Shu'halo is needed most. As hunters we seek beasts to tame, to hunt, to stop from destroying the land, but this night, we sought a missing Shu'halo, Safety Inspector Nby. All we knew was that she was last seen leaving Kargath, helping to guide those new to the area through the dangerous Searing Gorge. At length the Tribe found her, confused, seeing things, and suffering from extreme dehydration. Even as the Tribes found her, Nby lost her footing and fell. In the end, injured, the Tribe was able to bring her safely back to Kargath.

More Tales, Deeds, & Celebrations

Celebration of Home with Blacktooth Grin

12.21.2019 Valley of Trials

The Grin held a Celebration of Home, invited new friends and old, commemorating the world the Orcs came from and honoring the new allies they found in Azeroth. Blessings, along with trials of bravery, speed, and strength were held along with stories of old and tales of heroic deeds.

One contest involved, getting close to, but not hitting the Druid... The event was almost stopped by Safety Inspector Nby, but was allowed to continue in light of honor and strength!

Redwood Roadhouse/Save the Birds with Wotop

01.12.2020 - Booty Bay

Set the Birds Free! Wotop holds a protest on the docks of Booty Bay. At issues the bird sellers of Booty Bay holding our Feathered Friends Captive.

After the Protest, members of Wotop joined Redwood for their weekly Roadhouse drinking and dancing.

Remember the next time you are in Booty Bay, do no business with Narkk, who holds the birds of Booty Bay in thrall. Send a message that they must be freed!... and by mage portal if possible.

Premier of Thunder Bluff Debate Society

01.14.2020 *Does Thunder Bluff Need Safety Railings?*

Seer Okwaho Skyseer and Safety Inspector Nby faced off to debate whether or not Thunder Bluff Needs Safety Railings.

While all can agree it is dangerous atop the Bluffs, many made good points concerning awareness of ones surroundings, the importance of a lesson learned from falling, and whether or not safety was more important than throwing pinkskins to the doom. The Seer conceded the point that safety railings would obscure the beautiful view, and Mohrn demonstrated an engineering device to safely fall from the Bluffs much to the Safety Inspector's chagrin.

As pictured below, there are some ropes already, but in the end it will be the High Chieftain's own counsel to decide who won the premier debate. We look forward to many more!

Next Debate Topic: Is Peace Possible with the Pinkskins - Nby <Redwood Tribes> v. Gorfrunch <Blacktooth Grin> Feb. 1 2020

Strange visitors at Tall Tales & Epic Fables

01.09.2020 - Thunder Bluff

The Amphitheater at Thunder Bluff hosts Tall Tales and Epic Fables once a month; The High Chieftain enjoys the stories!

But it seems this month, some Alliance sat in, or on the ceremonial drum, and listened, as well. Earth Mother hopes they were able to learn from the Story Tellers that night!

Booty Bay Bring in the New Year

01.29.2020 - Booty Bay

Horde and Alliance NOT killing each other as they celebrate the end of the year and wish each other well at the start of the new one! Well, except for one Alliance that could not be persuaded to leave well enough alone. The bruisers took care of him... the remains were not pretty so he was left on the docks to rot, while Alliance and Horde Partied!

Earth Mother's Blessing by Stan Flametotem

01.15.2020 - Bloodhoof Village

Elder Farseer Flametotem spoke to many in Bloodhoof Village, sharing the Earth Mother's Blessing, leading many to reflect on past mistakes and seek a path to forgive themselves.

For some, forgiveness seems impossible, but for others the first steps have been taken, the lake and rain washing the past away

01.15.2020 - Where Needed

The Earthen Ring has begun an investigation in the rising number of dead found on the shores of the Southfury River and at the foot of Thunder Bluff. Taking more than what is needed is against the teachings of the Earth Mother, and corpses left rotting is not safe for the environment.

Azeroth War Campaign

What is it?

RP-PVP

At the heart of it, Clan Hammersong and Redwood Tribes nailed it at the Battle of Bael Modan. A series of 3 battles, best 2 out of 3 wins the contested territory.

The territory can be a small town, a mine, forest, or whatever small area that a Guild thinks will give them an edge as we fight for control of Azeroth.

This is the game within the game as we build the history of Azeroth together.

Fight with Honor and expect to dance and drink with friends when the contest is complete.

Battles Lost & Won

The Battle of Go'Shek Farm, Arathi Highlands. The Dwarves of Clan Hammersong attempted to gain a foothold in Arathi Highlands, however The Harbingers drew first blood and pushed them back to Thandol Span. From there a new pitched battle took place and Warlord Sunshine of The Harbingers succeeded in grievously wounding Grand Marshall Ulfrinn Ashbeard. Redwood Tribes News

Skyseer's View

I am Okwaho Skyseer, adviser to the Redwood Tribes, Seer of the Earthen Ring, and speaker to the editor that writes these words.

Ambassadors of Azeroth - War Campaign of Azeroth!

Seems like these things are at-odds, much like Horde and Alliance. Many mistake the outcome that desire, and that is because I seek only what the Earth Mother desires... her children to live in peace, hunters, providers, living in balance with the natural world. Those who threaten that balance are the first to fall to my staff.

Alliance, if you want peace, leave the lands of Kalimdor. Stop seeking the path of blood, claiming ownership of the land that is not yours.

The land belongs to the Earth Mother.

Farseer Foretells

By Mayalen Highmountain

Jan 22- Feb 21 2020

This is for entertainment only.

Aries

March 21 - April 19

Growth is the key to moving forward, but self-sabotaging can prevent you from learning and moving on to a better tomorrow.

Taurus

April 20 - May 20

When Earth Mother becomes your ally in your dreams, it is best to hear what she is saying to you.

Gemini

May 21 - June 20

Do you keep holding on to dead weight? Maybe to objects that remind you of something you hated about yourself or another person. Times are changing and so must you for the better. Let it go and move past it.

Cancer

June 21 - July 22

"Spirit guides you." We have heard those words but what does it mean to you? Do ever stop to reflect what is the meaning behind those words? Maybe we should meditate on what guides us each day and find hope.

Leo

July 23 - August 22

You are being called this day to watch over others. Take heed my friend and be there for others in their time of need.

Virgo

August 23 - Sept 22

Have you ever wanted to experience something new and yet you are not sure what in Azeroth to do. Maybe today is the day to experience sky diving from a mountaintop. Not too high as you only have 2 minutes without a parachute.

Libra

Sept 23 - October 22

Are you sick and tired of having no gold while all the capitalists in Stormwind, Booty Bay and Orgrimmar are rolling in the coins? Times are changing. Time to learn a new trade, beat them at their own game, and start bartering.

Scorpio

October - 23 - November 21

Be tough, have courage, and let no challenge hold you back no matter the circumstance in life. You can do whatever you set your mind to.

Sagittarius

November 22 - December 21

Life is not always easy to forge ahead. Look for an ally to show up in your life and lend you a hand. Thanks to Earth Mother's guiding ways you will get ahead with ease.

Capricorn

December 22 - January 19

When you look into the pond of life, what do you see? Are you letting others judge you. Time to stop letting ugly words hold you down. You are beautiful and you are loved by many. Do not let others manipulate you.

Aquarius

January 22 - February 18

When was the last time you invited others to your tent or home to entertain with tall tales and scary stories? Open up your home to others and give them something to remember.

Pisces

February 19 - March 20

Go learn a profession and stop pretending you are doing okay when you know you can do much more. Your new tools are waiting for you to use and are available at your professional trainer's location.
