## Hallow's End Shenanigans

Stormglen Village, Gilneas

10.24.2020

*So much to see, so much to do! Candy to eat and fearsome monsters around every tree.*

*That is what it was like in Stormglen Village as they made room in their front yards for numerous groups to show off their fighting techniques, scintillating costumes, and clever pranks and tricks to every passersby.*

*The dreariness of Gilneas added the perfect spooky touches, and laughter filled the area as several customers*

were either drunk or potioned or wanded into different forms at several of the booths.

Hallow's End only comes round once a year, so why not go all out, and do it across the blue and red allegiances!

## The Great Hunt

### Stonetalon Mountains

10.29.20

*Nanoc and allies hunt a dangerous creature in the heart of Stonetalon Mountains.*

*Pictured right, it does not look like many monsters would pose a threat to Nanoc, but they may all change shortly.*

*Led by Edwa the Brave, the hunters were successful in dealing with their prey and putting to rest the threat to travelers in the area*

## Travelers

*Speaking of Travelers, with a bit of a time mishap in the past, Okwaho Skyseer from a different time-stream as well as a few others have merged into our present.*

*If you see a Traveler, lend them a hand as their journey continues ever forward into unknown lands and dangers. We could all use a friend on the road ahead!*

*And Okwaho knows some old friends, too*

## Chief's Corner

*Greetings all!*

*As if Hallow's End is not scary enough. Now the sky is cracked and we know that Sylvanas is at the forefront of our problems. And, some of our leaders have been kidnapped.*

*Well, what are we going to do about it. I, personally, will be letting other adventurers take the lead, at least that is the plan. This Sage Okwaho seems like he can handle the gritty stuff. However, I will indeed be keeping up with the stories and escapades, and the crack investigative reporting you have all come to expect.*

*And while it has taken a little while to get this edition sent out, we are already hard at work on the next edition with Mokalyn getting the inks ready and me on the storytelling!*

## The Redwood Summit

### Western Earth Shrine Orgrimmar

11.12.20

*As forces gathered in Icecrown to fight back the reemergence of the Scourge, the Redwood gathered to discuss how the tribe would respond to this new threat.*

*Spirits were high, and members in attendance seemed determined to beat back the undead and bring the fallen banshee queen to justice.*

Also in attendance were the goblins of the Quickfuse cartel, and a dark lady of the Desolate Commiserat, who warned of the grim fate portended by the breaking of the veil!

At the end of the summit, Councilor Dodoa initiated recruits Dultou, Ykara, and Karam into the tribes. Welcome to the Redwood!

## *Tasty Treats: Tradrie, the Dawnbreaker*

### Ginger Chicken and Rice

#### Ingredients

3lb of cut up chicken  
1tbsp of grated ginger root  
1 crushed garlic clove  
3 to 4 tbsp of sugar  
2/3 cup of soy sauce  
1/3 cup of Japanese Wine or White Wine  
Veggie Oil

#### Start this when cooking chicken

2¼ cups of water  
1 cup of uncooked Jasmine Rice

Bring water to boil, add rice, cover with lid slightly open, and cook on low heat for 30 to 40 minutes or until tender. Avoid stirring.

#### Directions

##### Step 1

Rinse chicken, and pat dry. In a glass baking dish or bowl, stir together the ginger, garlic, sugar, soy sauce, and wine. Place the chicken into the mixture to marinate. Refrigerate, covered for several hours, or overnight.

##### Step 2

Heat oil in a large heavy skillet over medium-high heat. Place chicken pieces into the pan skin-side down, reserving marinade. Cook until light brown, then flip and brown the other side. Drain off grease, and pour the marinade into the pan.

##### Step 3

Cover, and reduce heat to low, and simmer for 8 to 10 minutes. Remove the lid and continue cooking, shaking the skillet occasionally, until marinade is reduced to a nice thick sauce and chicken pieces are fully cooked.

#### Cook's Notes:

To Bake: bake the chicken pieces in a 325 degree F (165 C) oven for 45 minutes or until done, turning once and basting with the marinade halfway through cooking.

## Spirit Realm Blues

### Central Rise, Thunder Bluff

10.27.20

*Okwaho Skyseer, Sage of another Redwood Tribes, calls upon Tribe members, Old friends and allies, and new Travelers to help him examine issues in the Spirit Realm. As he explained to the gathered crowd, the Honored Ancestors were not interacting with the Spirit Walkers and there was a missing Tribesman that needed to be rescued.*

*Unbeknownst to current Tribesman, young Leidolfr had been caught up in an incident befalling Okwaho's Redwood Tribesmen when the Hourglass of Time was shattered back when Thrall was still Warchief. For awhile, Leidolfr had been stuck in ancient times, but with the help of allies back then, Leidolfr had helped to send a few others that were stuck in the past back to the present time. Okwaho had expected Leidolfr's return, but both had known there was one snag to the method. Leidolfr's ability to carve arcane runes was what tethered those that returned to this time, but who would carve a rune for him.*

*Okwaho could wait no longer, fearing Leidolfr was held in the spirit realm by whatever was affecting the Honored Ancestors meant it was time to journey to the Spirit Realm. And so the Tribesmen took on the challenge and Redwood extended traveled into the Spirit Realm where they found Leidolfr along with the tentacles of an Old God attempting to rip apart the Bluffs.*

*The Old God sought to hold them there, but the first Chieftain of the Tribes along with the power from everyone present was enough to open the way back to our realm and rescue the lost Shu'halo.*

*Still, whatever is affecting the Honored Ancestors must be dealt with.*

While the Tribe strives for peace in a war-torn world, they are willing to stomp out all the campfires across Azeroth, because they are not on the menu tonight! So, until the alliance start fishing and stop hunting Shu'halo, this is the Tribe that will stop you. They enjoy boating, especially gliding out to sea in those nice galleons sitting in the Boralus harbor, mountain climbing from Dun Morogh to the peaks of Kul-Tiras, and they always enjoy a good fight! The Tribe enjoys BBQ, as well, and will bring plenty of Firewater to share with friends... Do you want to be friends? Or enemies? The choice is yours!

## Tales from an Alternate Time

### Kodo Drum Circle 2

[Click for Calendar](#)

*Oct 16 2020 Bloodhoof Village, Mulgore*

*With Autumn comes the celebration of the cycle of life, and the thanking of all those beasts that gave their essence and life so that the Shu'halo survive another season. Soon after the blessing, Safety Inspector Warlord Nby was able to barter for a new Kodo so that Skybreaker could ride again, and a stalwart and strong mount indeed. Many more were able to ride Kodo this season than the past Autumn thanks to a successful year for the Tribes and their allies.*

*May the Earth Mother bless with many more cycles like the previous one*

# Radamathys and a Raptor of War

Nov. 18 2020 Valley of Strength, Orgrimmar

*Radamathys not only has the best and tastiest mage water, but now he has earned the Black Raptor War mount and is one of the Tribes most able combatants on the fields of honorable combat.*

*For many moons, Radamathys has blessed the Tribes with water, dance, companionship, and those wonderful and hardy travelling bags.*

*We are honored that you have served the Horde and grateful that you wear our colors. May the Earth Mother watch over you, Radamathys!*

# On the Matter of Oats and Time!

## *Lower Rise Thunder Bluff - The Ross Residence*

*Chieftain Aysashe Brightmane and Councilor Branharak Skybreaker have fallen in love with Oats!*

*Much needed by the fledgling brewery, Spirits of the Earth Mother, the oats seemed to be disappearing right out of the bag on a taste testing night. Soon after, injuries to Father Lyle Ross necessitated the Face Your Demons Therapy group to hold the session at the Ross residence. Both Shu'halos were present and eating oats that belonged to the Rosses, but had apparently neglected to ask permission.*

*For reasons unknown, the Chieftain re-entered the house after everyone had departed for the Roadhouse that evening and apparently stomped a hole in the wood planked floor.*

*Investigations are under way, though the Sage has been making restitution to the Rosses to spare the Tribes further embarrassment.*

*What do a Brewery and Therapy have in Common?*

*Oats?*

*However, something else interesting seems to have happened at the new brewery.*

*Upon the Bluff Captain's appearance, Leidolfr explained what he had learned from the recent Caduceus Lecture Series talk concerning time travel.*

*Bluff Captain Kaylan Ragehorn, future self of the Tribes Longwalker trusted Leidolfr's plan and disappeared from the Bluffs... but where is the Longwalker?*

*Stay tuned for more perilous time escapades...*

# Clan Affairs

## Clans of Kalimdor

*October–November 2020 Azeroth*

Redwood Tribes was happy to assist the Clans of Kalimdor in a quick strike into the Library of Ironforge to retrieve an old tome pertaining to a Fel Curse that was not only afflicting Clan members, but was now spreading to other members of the Horde, and specifically Hand of Lordaeron and Blacktooth Grin members who had been in contact with the Clans. Fortunately, the strike was successful, and while the tome did not contain a cure for the fel energy, it pointed to the next steps to be taken... Successfully, the combined might of all involved was able to bring down a Dreadlord, and move the energy to the a new holder, the heart of the Dreadlord, itself.

With any luck, the groups can relax and heal up before anything else afflicts them.

### *October 2020 - Search for Flarefang's Mother*

Flarefang with the help of his Tribesmen finally confronts his mother. It took time to finally defeat her, as she was quick to send her followers and pet demons to stop them on several occasions.

The final journey into the Blasted Lands hinted that she was attempting a ritual at the Dark Portal, but whatever it was, she was thwarted by the Tribesmen.

In finally defeating her, Flarefang was able to also save his little brother, who had only ever heard negative things about Flarefang.

Rumor has it, there are more adventures ahead for Flare...

### *11.15.20 Redwood Roadhouse in Kargath or Did the Sage Deal in the Swamp*

Recent news from Stonard, where the Blacktooth Grin make their home, saw Chieftain Ayashe Brightmane pull strings to get an immediate Zeppelin to the Eastern Kingdoms. The news that Mue'jin, assassin of Shonte Daud and others, had been captured and was naming Gin'jojo as the purchaser of his services.

Joining Ayashe the next night was the Seer, who had planned a Roadhouse in the Badlands. When Raush Cloudsong attended the Roadhouse, the Seer made small talk until he could get away to the Swamps in the hopes of meeting the Grin's leaders.

Meeting instead with a few Grin, the Tribesmen were able to depart on friendly terms, the Chieftain having been welcomed as an honored guest and no ill will bore to the Tribes in general.

But it was clear, Gin'jojo would need to answer for his crimes and the Grin wanted nothing less than his head!

## Thunder Bluff Debates

*October and November 2020 Amphitheater, Thunder Bluff*

*Debates concerning eating less meat in order to stop putting an unhealthy strain on the animal population garnered much opposition from one Tribes leader despite. While veganism is not for everyone, most agreed that there are ways to curb senseless slaughter and unnecessary waste.*

*The latest debate concerned Goblins and whether or not Thrall should offer them a place in the Horde. A much contested affair, most walked away without a clear sense of either side winning out, though most Shu'halo would still like the Goblins to stop wrecking the environment!*

## Strange Fish Seen in Booty Bay

*Damage Networks continues a streak of winning the weekly fishing challenge in Booty Bay. But aside from that, Redwood Tribes and Allies found themselves in strange waters when they went to challenge the Alliance group in friendly competition.*

*Those fish look hungry, and only seem to be eyeing the Horde contingent like fodder!*

# Redwood Tribes News

## Skyseer's View

I am Okwaho Skyseer, adviser to the Redwood Tribes, Seer of the Earthen Ring, and speaker to the editor that writes these words.

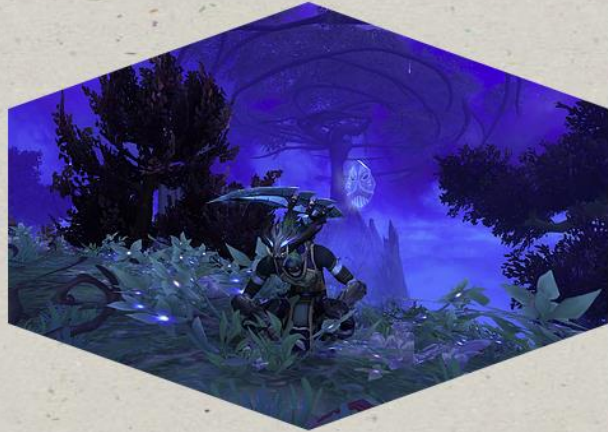

Redwood Tribes continues to grow strong, our tribesmen overcoming dragons, Alliance, and whatever the Earth Mother can throw at us.

So why do we continue to struggle with the one purpose that we were called to fulfill?

We are to come together as one Tribe, trusting our Council to work together to guide us. And while we have made strides towards this goal, we continue to have disagreements that become the highest mountains of Mount Hyjal!

It must stop... before we shatter before the next threat!
