## *A Break Between Darkness*

### Gravy has his Hands Full

01.28.20 by Lohkawas Wildmane

*Reports just in, Leidolfr purchases not 1, but 2 Goblins at the Wyvern's Tail. In an unlikely turn of events, the former Vrykul slave was approached and agreed to purchase one and then got a second one. When questioned, Leidolfr stated quickly, "Leidolfr buy yes, best one Lluagor for*

*one copper. But no worry, Leidolfr make free. Slavery no good!" Later there was a true test of drunken brawling that eclipsed language barriers!*

Since that night, reports are in that a third Goblin, the seller of the previous mentioned Goblins, may have met his doom. Want to know more? Head to Wyvern's Tail every Tuesday at 8:00 PM server!

## Desolate Clinic

01.30.20 by Lohkawas Wildmane

Rukhran seen through a mirror may be larger than real Rukhran

*The Desolate Conclave appears to be doing even more business of late, and some repeat business. As darkness descends upon Azeroth, there have been an increase in physical check-ups to make sure everyone is in fighting shape.*

*Additionally, there appeared one Mahktee, who seemed to have an issue with his new pet, Rukhran, not listening to his commands, ... and he was not the only one to have an issue with the fiery menace. A Druid cursed into his tree form spent most of the Clinic running... or rapidly fleeing, from the pet. The Father and his team have their hands full. Find out more with a visit to the clinic!*

## Temple Takedown

### Temple of the Jade Serpent

02.08.20

*Second time around for the dueling tournament at the Temple of Jade Serpent!*

*Host Lluagor of the Quickfuse Cartel filled up the dance card and every room of the Temple much to the local monk's dismay! One monk looked on in horror as fireworks filled the night sky, muttering about possible fires, goblins, and the beautiful jade forest, not to mention cleaning up the Temple after the visitors departed!*

## *Chief's Corner*

*Greetings friends, Horde and Alliance!*

*Just going to say... You are going to see some really dark things. This is when you have to trust the Pack, the Tribe, the Clan, the Family that you have grown with. Do not let the dark twist you around!*

*Earth Mother Watch Over You

## Strawberry Heart Roll - Love is in the Air Treat

### Ingredients

2 cups self-rising flour  
1 tsp corn flour  
½ tsp salt  
1 tbsp lard  
1 tbsp butter  
1 1/2 tbsp caster sugar  
¾ cup milk, plus extra for glazing  
2-3 tbsp your best strawberry jam

### Instructions

1. Pre-heat the oven to 400°F.
2. Mix together the flour, cornflour and salt. Using your fingertips, rub in the lard and butter. Stir in the sugar. Gradually add the milk and mix until a soft dough is formed you may not need to use all the milk).
3. Lightly knead on a floured surface until a smooth dough is formed (this won't take long). Roll out the dough to a 20 in x 8 in rectangle. Spread the jam over the dough.
4. Roll the dough from the longest side as if making a Swiss roll. Then bring the ends together, forming the roll into a heart shape. Stick the ends together using a little milk.
5. Make small incisions over the surface of the heart shape. Brush the top with milk.
6. Bake for 15-20 minutes, until the cake is golden and the base is cooked through.

## Rumors from The Lazy Turnip

### Void

More and more outbreaks of the Void. Is Void greater than Light? Druids, Shamans, and Monks are setting out to remind everyone that balance in all things is important for all of Azeroth... well right now, we are starting to be overrun by the void.

### Update on that Tree!

He was seen at the Desolate Clinic again and this time expert on the paranormal, Father Benedikt, was on hand to make some progress... A Curse!!! But so far, no cure. Good Luck Tree!

On the other hand, Best Kitty seen in Troll form...? What?

While the Tribe strives for peace in a war-torn world, they are willing to stomp out all the campfires across Azeroth, because they are not on the menu tonight! So, until the alliance start fishing and stop hunting Shu'halo, this is the Tribe that will stop you. They enjoy boating, especially gliding out to sea in those nice galleons sitting in the Boralus harbor, mountain climbing from Dun Morogh to the peaks of Kul-Tiras, and they always enjoy a good fight! The Tribe enjoys BBQ, as well, and will bring plenty of Firewater to share with friends... Do you want to be friends? Or enemies? The choice is yours!

## Tales from an Alternate Time

### Politics, Debates, Gatherings

[Click for Calendar](#)

*1.25.2020, 2.1.2020 Stormwind City*

*Rhien of House Blackstone and Druid Ilythil Nightrage of Hurricane receive city council seats.*

*More elections scheduled to fill the remaining seats as governing Stormwind takes a lot of hands... just note how many are standing at the empty throne.*

*Ilythil has taken on the task of revitalizing worship in the city, and desires to expose the citizens of the Alliance to other faiths, beyond the "Light"... good luck Ilythil. The Shu'halo will welcome new adherents to the Earth Mother*

*With the race so close between Ilythil and 3rd place contender Mattoc "The Lionheart" some are surprised there is not a request for a recount.*

01.26.2020  
Moonglade

Cenarion Circle hosts Horde and Alliance during the recent Lunar Festival. Attendees witnessed the reforming of Druid bonds between Horde and Alliance Druids and then joined together in the ceremonial kill of Omen. For those that think Peace is Possible, this is a step forward!

*01.31.2020 Undercity Meeting  
Hand of Lordaeron & Redwood Tribes*

*Word scurries quickly that Redwood Tribes leaders along with escorts were seen in Undercity and as always the Hand was out in force. What could Chieftain Ayashe Brightmane and her councilors, leaders of the three races that make up the tribes, and Seer Okwaho Skyseer want with the mysterious Hand of Lordaeron and the Forsaken of the Eastern Kingdoms.*

*One Redwood Tribesman commented on the tenseness of the meeting, but if these forces join together, Alliance troops in the Eastern Kingdoms may soon pay the price.*

*2.1.2020 Thunder Bluff Debate Society  
Is Peace Possible with the Pinkskins?  
Ambassdor Nby (Redwood Tribes) v.  
Gorfrunch Smashblade (Blacktooth Grin)*

Ambassdor Nby took up the mantle of peace versus Chieftain Gorfrunch Smashblade, who made it clear that the Horde remains strong due to struggle faced day in and day out; that war is a part of the Horde just as much as the blood in their veins.

The Ambassador faced an uphill battle as Gorfrunch brought up the internment camps of the Humans, the Dwarves continuing to plunder resources in the Barrens, and the haughtiness of the Elves.

Attendees took various sides, some that war is the only way forward, but several onlookers from Hand of Lordaeron tried to explain the devastating capabilities of the Scourge to many who had not encountered that evil of the Eastern Kingdoms. In addition, the Shu'halo present expressed more concern for the infighting of the Horde themselves, and even went so far to explain that Dwarves should not even be counted as Alliance due to how they came into being.

By the end of the debate, there was agreement to look more closely at some of the comments and arguments brought forward by both sides, but at this time, it appears that Peace is but a Pipe Dream... and we have some very large ones in Thunder Bluff.

# Ambassadors of Azeroth

02.02.2020 Stormwind - 02.03.2020 Booty Bay

Peace may or may not be possible, but Ambassadors are starting to form on both Horde and Alliance sides.

First and foremost, the greater dangers posed by the black dragonflight and the Scourge seemed to dominate the conversation for the Horde.

And for the Alliance, what will Ambassadors do since Peace is out of the question. Ardrus Runesage agreed that peace is in the distance, but close at hand, with all the skirmishes happening in the Azeroth War Campaign, there are land claims, and prisoners of war that might need someone to speak up for them. Msg. Okwaho or Ardrus to join up!

## Travels

2.1.2020

*The Peaks of Ironforge*

Clan Hammersong climbs to the Peaks of Ironforge to take in the view at sunset. Normally Dwarves are known for being inside of mountains, but Hammersong Dwarves are not your normal everyday longbeards!

Pictured here are the intrepid Dwarves and Gnomes after showing off those mountain climbing skills.

Something tells me there were stories, food, and ale after the treacherous climb.

# Did Something(s) Big Happen?

## Peon Uprising

*2.7.2020 Durotar to Arathi Highlands*

*The Peon's have been bonked enough!*

*They are the backbone of the Horde, or so says the new leader of the Peons, Windhowl of the Flaming Shovel.*

*Arming the peons with shovels, picks, and hammers he led them to Thrall, many joining the throng to raise their voices for Peon Rights!*

*But there are those that sought to block their*

*path to Thrall, while others just appealed to the Peons to return to their mudhuts and manure shoveling. As no resolution appeared to be forthcoming, the Peons flew to the Eastern Kingdoms, some on a zeppelin for the first time, and with help from those concerned about the Peon's rights, found their way to Arathi Highlands and met with their brethern the Hammerfall Peons on Go'shek Farm, where a reported uprising had already taken place just days previously.*

*Have the Peons finally had enough? And who will keep Orgrimmar functioning now?*

# Love is in the Air

2.8.2020 Valley of Honor, Orgrimmar

Leading off with a poetry contest, there was no end to fun at the Love is in the Air kick-off festival in Orgrimmar. Shattered Company hosted multiple contests (best dressed mens and womens, best couple), speed dating, dancing, while vendors sold ale and wine, and the Hunters of Redwood showed off their well-behaved pets...

until Seer Okwaho and Safety Inspector Nby were called to The Broken Tusk Inn to investigate the causes of illness to their Tribesmen, Pogo'Pogo. It seems that his pet at the fair, a bat from the Plaguelands may have been infectious.

Investigations are underway.

If you are experiencing any of the following, seek help immediately: Itchy Skin, Yellow Pustules, Fever, Fatigue, Abnormal Thirst... especially if you went to the petting booth at the event!

## Dueling

### Westfall Brawl Dueling Tournament

1.28.2020 Westfall

*Darius Flynn of Sundered hosted a brawl in the midst the high wheat stalks of Sentinel Hill. Which made it very hard to see for our Dwarf reporter, Ardrus Runesage.*

*Party crashers did not stand a chance amongst these mighty duelists. Several times the duelists staved off attack to stay focused on the prize, showing off their deadly skills.*

*Sad to say, Runesage could not tell who won, he could not see them over the wheat!*

## Special Report

### Where can you find more RP when not logged in?

#salty-sailor-tavern

*The Salty Sailor Tavern.- Day in and Day out, Horde and Alliance wander through the Goblin port of Booty Bay, seeking a safe haven in the midst of the storms of war. Of late, numerous Shu'halo, Orcs, Dwarves and more have been finding the Salty Sailor Tavern just such a place. While there may be tacked up parchments, such as the newest Redwood Times news scroll or warnings of warlike action to be taken, the bars main attraction is the cherry grog, served by the Admiral, and the freshly ground beans that make up a warming and charitable morning drink prepared by one Dumhed, an Orc peon of the finest caliber. While it is an uneasy truce, so far the inhabitants have made an effort to converse, have shared food, and no blood has been spilled.*

*If you are interested in RPPVP and being part of the Azeroth War Campaign (AWC), reach out to your RPPVP GM, Gin'jojo, Ulfrinn, Okwaho and many more... You will also find many of us in #salty-sailor-tavern in the AWC discord - a channel for RP only.*

# Azeroth War Campaign

## What is it?

### RP-PVP

At the heart of it, Clan Hammersong and Redwood Tribes nailed it at the Battle of Bael Modan. A series of 3 battles, best 2 out of 3 wins the contested territory.

The territory can be a small town, a mine, forest, or whatever small area that a Guild thinks will give them an edge as we fight for control of Azeroth.

This is the game within the game as we build the history of Azeroth together.

Fight with Honor and expect to dance and drink with friends when the contest is complete.

For More Info: Reach out to Gin'jojo and Ulfrinn or your GM

### Battle Reports

The Battle of Azurelode Mines - Swarm v. Bannerless-Beleaguered Alliance forces harried into the mine itself after an initial attack by Swarm forces, commanded by Tango and Peacebloom. As they ransacked the mine for what Truesilver they could carry, they collapsed the mine behind them... the Alliance have already begun excavations, but this will cost them valuable time

The Battle of Bael'Dun Keep - Redwood Tribes v. Dwarven Overlords - Redwood Tribes received reinforcements as they marched upon Dwarven Overlords at the Keep of Bael'Dun. While short and hard to see from a Shu'halo's greater height, it looked as though the Horde was outnumbered by the stalwart foes, but thanks to their staunch allies the forces were equal for the most part and Redwood pushed the Dwarves into the Keep. A mistake, as the Dwarves knew the territory better despite Intel provided by Longwalker Ragetotem. The Dwarves kicked the Horde from the Keep, but as they chased, leaving the protection of the fortified hold behind, the Horde recovered and turned the tables, forcing the Dwarves to take refuge in the Bael'Dun Digsite below. Who feels ready to flush the earth-diggers from the mines?

## *Redwood Tribes News*

### *Skyseer's View*

*I am Okwaho Skyseer, adviser to the Redwood Tribes, Seer of the Earthen Ring, and speaker to the editor that writes these words.*

Black Dragonflight! Plague! Scourge!

We have at least learned something in the past 1/2 cycle of Mu'sha, which is that we are ill equipped to take on foes if we continue to be divided.

I am most impressed by those that can listen as much as they talk, show respect for their own ways and the ways of others, and can learn from their mistakes. Even I must listen and change if the Tribes are to survive what is on the horizon.

In other words, if you hide behind a cactus, and stand too close to it, you will not be hidden for long. At least one Orc understood the wisdom at Love is in the Air.

Think on that!
