## Barge Bash 2019

### The Perfect Spot for a Gathering

10.19.19 by Lohkawas Wildmane

*Lluagar of Quickfuse Cartel hosted a conglomerate of Cartels and others at the Speedbarge in 1000 Needles for tournaments, boat races, and fireworks! A lot of fun was had by all, but truly no surprise that it was a Salty Sea Doggo, Religion, who won the boat race! Talk about a rigged competition.*

*The night almost started with mak'gora over a banner, but then it was quickly realized that the banner was similar and not stolen - but then again, can you blame the mistake - Goblins are often disparaged against when it comes to theft.*

*The night ended with fireworks and was a great time had by all!*

# Azeroth Sports Report

## Interview

In just the last week, reports surfaced that sports commissioner Kaitohutohu Swiftpaw was found in Dalaran's Legerdemain's Lounge sleeping off a weekend's worth of Halloween Treats!!! The Times sent someone out to track him down and here is what we found out:

**Times Reporter:** *You have been missing for quite some time, Commissioner Swiftpaw. The sports fans of Azeroth are wondering about your plans.*

**Kai Swiftpaw:** *If you must know, I have been scouting venues and finding out what the people want to see. Once in a while, I head back to Dalaran for more elixirs of tongues, of course. It is important to find out what both Alliance and Horde want - though, they hardly seem at odds anymore, unless you count the mean ex-Warchief.*

**Times Reporter:** *So... what have you found out?*

**Kai Swiftpaw:** *It is time! The fans are clamoring for more sports! They want to see their heroes again, like Senneca Swiftsilver, Ashzasun Moonroot, the focused and rather large bear, Kickfish Kitty Sommer Starsong, and they don't care if it is Kick Fish or Racing, or that all time favorite Lawndarts for that matter. They just want action!*

*And we are going to give it to them.*

*Save those Saturday night! Because the invites are going out.. now that I am not lost anymore, I mean, now that I have the answers I needed to begin! Sports are coming to town!*

*Crime Beater*

Crime Around Azeroth: New Reports as of Oct 22 2019

### Over-sized Goblins?

Frost Mage finds 30 foot tall, floating Goblin and reports feelings of nausea and disorientation. Authorities returned and reported large quantities of mass-hallucinogenics, made up in the form of red and blue pills, were found in some of the nearby caverns. Military Intelligence has dispatched additional forces to investigate.

### Blood Elf found dead in Ghostlands

Pictured below alive, it was only found out after she lay dead in the road, and the pumpkin cut from her head that she was Sindorei. Who could have committed such a heinous crime, right on the main thoroughfare of the Ghostlands. A travel advisory has been posted by the Farstriders.

Wanted! New Report as of Oct 22 2019

### Breaking News: Corpses in Orgrimmar

Appropriately Taurens

Information wanted as the cult appears to have transferred their interest from Stormwind's trade district to Orgrimmar's Valley of Strength. One witness stated, "I thought they were just people Andrew had killed. He is number 1, of course!"

## Chief's Corner

*Hello Azeroth,*

*Goblins having a bash, Gnomes running for the cause, sports back on the horizon! Seems like things are heading in the right direction as relations build again between Alliance and Horde.*

*However, we still have some problems ahead of us, and now is not the time to lose sight of them... except we have lost sight. Sylvanas and N'zoth, remember them? Just flew off in the night and sure to be making plans of their own.*

*The time is now to prepare for the worst, so get ready friends, old and new! I, for one, look forward to fighting by your sides, regardless of which faction... It is time to save Azeroth once again!*

*Lohkawas Wildmane, editor-in-chief*

## Rumors from The Lazy Turnip

*Pandaren emissary, Ji Firepaw, fired up over race tactics at the recent 2019 Barge Bash. Firepaw states he conducted several experiments on the barge's boats and has concluded that there must have been interference from low flying tourists that disrupted the wind currents and caused his poor performance. Mr. Firepaw has been informed that he boats have no sails and run on goblin technology, but that is a different issue entirely.*

*Psycho Demon Orc rampages against Shu'halo... nothing new here, just the same old Orc, with nothing better to do. The Shu'halo, chosen of the Earth Mother, are sponsoring "Running of the Warlock" in an attempt to create a positive and nurturing environment for younger Warlocks and re-habilitating older Warlocks before the Earth Mother takes action against them.*

*Nightmares abound. Several psychics, spirit-walkers, and Vrykul Rune Masters claim that N'zoth is already striking out through dreams. If you feel that you are hearing voices, having dark visions, or seeking to slaughter everyone unconditionally, you may want to seek out a medical professional immediately. Authorities state that anyone found consorting with N'zoth will be dealt with, the manner seems to vary from Horde to Alliance...*

While the Tribe strives for peace in a war-torn world, they are willing to stomp out all the campfires across Azeroth, because they are not on the menu tonight! So, until the alliance start fishing and stop hunting Shu'halo, this is the Tribe that will stop you. They enjoy boating, especially gliding out to sea in those nice galleons sitting in the Boralus harbor, mountain climbing from Dun Morogh to the peaks of Kul-Tiras, and they always enjoy a good fight! The Tribe enjoys BBQ, as well, and will bring plenty of Firewater to share with friends... Do you want to be friends? Or enemies? The choice is yours!

## Tales from an Alternate Time

### Azeroth Battle Reports:

[Click for Calendar](#)

10.20.2019 Signal Fire "fires off" with a Bang!

Shattered Company, known for defending Horde lands put the word out, and several clans, tribes, and warbands answered the call.

When in danger, Signal Fires will be lit across the lands and those that have signed the Pact have agreed to come to each other's defense. Atal'Alarion, Redwood Tribes, The Grim, Frostwolf Militia, The Deadeye Legion, Thundering Hammer Clan, Freemasons, and more are just the start!

And to make sure the Alliance know we are serious, Signal Fire attacked Theramore concluding with Jaina Proudmoore sustaining serious injuries... especially to her Pride.

Attack at your own risk, Alliance!

# Menethil Accord Strikes

While Signal Fire Formed, a Strike from the Menethil Accord went uncountered as the fires did not light! High Chieftain Cairne Bloodhoof and his Bluffrunners fought bravely but in the end it was not enough to keep the Alliance contained. Efforts continue to heal the wounded, and restock the pond... it is not a Pool! And they call us uncivilized?

*10.11.19 Redwood Ranks  
Attacks Eastern Kingdoms*

Travelling to Tarren Mill, Redwood's forces made their way to Aerie Peak and managed to raid the larders with new friends from Swarm!

Returning back to Hillsbrad Foothills, the groups attacked Southshore until The Enclave backed them onto the pier and forced the Tribe and friends to swiftly retreat!

*10.16.18 Clan Hammersong Pledge Night - Attack on Tarren Mill*

*Clan Hammersong grows stronger!*

*Horde beware as the Clan under Thane Gargrim Hammersong wages war against the Horde in the Eastern Kingdoms.*

*Known for discipline, these Dwarves and Gnomes also know how to celebrate their victories.*

### 10.14.2019 Thandol Span Contested

Clan Hammersong forces collided with the Horde at Thandol Span! Clan Hammersong approached tentatively at first and were held at bay and beaten back, until reinforcements arrived and the Dwarves and Gnomes were able to rush the bridge pushing the interlopers back until both sides dispersed.

## Happenings

### 10.6.2019 Shadowprey Village

Freemasons, led by Krip'yup hosted a fishing extravaganza and were soon joined by a tour of young Shu'halo, learning about their heritage and seeing important historical and cultural locations. Tuskboar of the Unshackled started in Camp Mojache and made sure all arrived safely in Shadowprey Village, Desolace. The younglings even met famed Rexxar before the journey ended.

10.9.2019 Barrens to Stonetalon Mountains  
Earthen Ring Escapades continues to investigate and train new Shaman in the ways of the elements!  
Next Meeting: Oct 30 in the Valley of Spirits

10.12.2019 Gurubashi Arena  
Frostwolf Clan v. Redwood Tribes

The two groups met for honorable combat and practice duels in the ancient Arena and despite a few opportunistic rogues, the groups continued to see bonds grow tighter. There was no lack of contestants and those seeking to prove their worth!

10.21.2019 Redistribution  
Meeting - Razor Hill

Seer Okwaho Skyseer, Earthen Ring shaman and Shu'halo explains the theories behind his opinion piece: "Metal Coins Purchase Slaves".

He explained to the audience how in Shu'halo culture they do not use coins to purchase what is needed, instead everyone helps and everything is shared with each of the tribe members.

The rest of the piece discussed the Goblins disregard for the environment and how that also creates a strain on the Horde's resources. Okwaho is determined to win the next writing contest!

## *Things One Should Know*

### *Gossip at The Broken Tusk*

Leaping Taurens! Seen here showing off their jumping abilities is Earthen Ring Seer Okwaho Skyseer. This Forsaken rogue does not appear impressed however. But then again, everyone jumps off the zeppelin when it shows up!

Seen at Nesingwary's Camp in Stranglethorn Vale, Chieftain Ayashe Brightmane and Redwood Tribes advisor Okwaho Skyseer of the Earthen Ring share a tent. Rumor has it that Skyseer was attempting to find another post, but a new rumor is forming. Inquiring minds want to know!

Both seem unwillingly to comment to Redwood Times inquiries!

No surprise that a great time was had by all the attendees!

## *Redwood Tribes News*

### *Skyseer's View*

*I am Okwaho Skyseer, adviser to the Redwood Tribes, Seer of the Earthen Ring, and speaker to the editor that writes these words.*

The Younglings become Initiates, and then become Tribesmen, but then what? This month, in a few more passages of Mu'sha, the Tribe will hold Rites of Passage again, and the new Initiates will have their chance to prove themselves, while the Tribesmen will face greater challenges. If they succeed they will become our new Braves, growing within the Tribe and given more responsibility. It is Redwood's way.

As our bonds grow with other Tribes and groups throughout Kalimdor, and now into the Eastern Kingdoms, Redwood is tested, as well. Our values, as for all Shu'halo, are held to a high standard, but without doubt we shall excel with honor and strength, for the Horde needs the guidance of the Earth Mother's children.

Keep track of that elusive Troll,  
Gin'jojo of Redwood

# Kodo Drum Circle

10.13.2019 Bloodhoof Village

Redwood Tribes hosted many tribes, clans, and visitors for the yearly Kodo Drum Circle, a ceremony giving thanks to the beasts that gave their lives throughout the past year to sustain the Tribes and to ask the blessing of the animals that would give their lives in the coming year.

After the opening by Chieftain Ayashe Brightmane, Sage Nowta Firetotem spoke about the Shu'halo beliefs and not squandering the blessings of the Earthmother.

Seer Okwaho Skyseer spoke on the meaning of the word Kodo, "heartbeat" or "children of the drum", hence the reason the drums of the village must beat continuously throughout the ritual.

After all the speeches, those with Kodo began the ceremony of walking around the edge of the participants, who began to dance while the Seer spoke the blessing as he turned to face the four directions of the compass and invoke the blessing of the Earth Mother's creatures to sustain the Tribe.
