Tales from an Alternate Time

Party of Trolls, Or Party of Trouble

[Click for Calendar](#)

6.6.2020 Sen'jin Village & Zul'Gurub

Part 1 - Party Time

Da Juju Jamba Ri - Troll Speak for party all night, cook some humans in Da Witch Doctah's stew pot, pit fights by the raptah's, tear up the Orc roads with the Racin' Raptah Claws, Call more Wild Gods aka Loa to the shores of Durotar, Drink, Smoke, Sell Kiteh's by the barrel, or maybe the Drink was sold by the barrel, dress up in your favorite silks and finery, terrorize some Alliance on thee boat to Booty Bay, and attack the jungles of Zul'Gurub... And do this with your friends and Tribes.... until, you arrive at Zul'Gurub.

Looks Like Another Call To Akunda! It would be horrible if he forgot his followers

More Loa... Do we need more Loa?

How did the two humans get here?

Pit Fighting or let us enrage the raptah's with the smell of blood!

The cracked and parched road suffers more claw scratchings - Eh, Thrall won't notice anyway - (Branharak Picture, Caption Okwaho)

One does wonder why some Trolls are so far behind? Just run the Raptah in a direct line to Razor Hill. No Zig-Zag Zone!

Part 2 - Zul'Gurub and Mak'Gora

The Trolls decided to end the outing with a march through the ruins of Zul'Gurub, a mighty Troll empire.

Spacious Living, Lush Landscapes, Delightful Skylines

Admittedly these bridges look harder than those at the Bluffs

Historically, this was the capital city of many Jungle Troll tribes, led by the Gurubashi. The Gurubashi worshipped Hakkar the Soulflayer. Why did we finish a night of debauchery and celebration of Wild Gods visiting the temple of Hakkar? It was certain to end in disaster... lost eye, lost arm, almost a lost alliance! Think what you will, this is not over yet, Master Gin'jojo!, signed the Seer of Redwood Tribes!

Alliance Attacks Where?

We Prepared for Attack! Then we Attacked!

5.30.2020 Barrens to Dun Morogh

The Longwalkers prepared an extensive report (click [view report](#) to view Longwalker Ragetotem's findings). The Alliance prepared to attack the Barrens. We had primary and secondary targets, entry points, everything but exact numbers. The Horde gathered... and waited. And then we attacked Ironforge and that seemed to get the Alliance's attention from whatever tomfoolery they were really attending to. Still, we enjoyed our party on the ship we commandeered in Theramore!

Do we have enough look outs?

5.27.20 Troll Blessing with Kul'ade

Kul'ade tells us about a new Loa

Dirt mom move over?

Kul'ade is truly a wise troll. It was he who realized that a new minor Loa had been called forth and created by the many Trolls throughout Kalimdor as they sound off traveling into battle. Now where ever you roam, Oya will be there to protect and watch over you!

Just remember, Earth Mother is watching over this new Loa, too.

Quilboar Wars

6.5.2020 Razorfen Downs, Durotar

Revenge. That is what the youngling of the Stonespire Tribe requested as we met in Camp Taurajo.

They accompanied the youngling to Razorfen Downs to scout out the rising Quilboar population and found a frigid situation among the raised briars.

Climbing the central mound, the air getting colder and colder, breath freezing in the air, they found a strange source of the difficulties.

The question remains... What was a Lich doing in the Downs?

Redwood Rumble

6.8.2020 Crossroads, The Barrens

Sauromoon called us together to get our fighting skills in order.

Even the Seer felt rusty as everyone stepped into the road to practice before the Rumble began.

Who won the rumble... Tribune Skybreaker in top form!

However, there appeared to be something afoot or is that a hoof between Thundersong and the event host?

Redwood Rescues

Finding Firetotem

6.10.2020 Stormrage Barrow Dens, Moonglade

Councilor Nowta Firetotem traced to the Emerald Dream!

Redwood Rescue went to Moonglade and found Nowta deep in the Emerald Dream... or Nightmare as we soon found out. Tribune Sauromoon was able to enter the Nightmare and barely escaped to inform the rest of the rescuers that aid was needed to pull Nowta from the place his spirit walked.

Dark tentacles refused to relinquish their hold easily but soon the Councilor was back and warning of a growing dark power in the South of Kalimdor. It is almost time...

Pathfinder report
By Tribune Skybreaker

This is an update report concerning the whereabouts of Tribune Pogo'pogo.

My search begun in the Lower wilds of Feralas, where I discovered an abandoned campsite due north. Where I found a fresh kill and tracks, that led me west along the mountain range. There, I met a helpful *Kaldorei* who had seen the passage of a Troll, accompanied by a tan furred cat, headed to a Grimtotem compound further west.

Upon arriving at the compound, I was joined by a Bown'go, a fellow Tribesman and hunter. Together we successfully scouted and escaped the compound after finding further evidence of Pogo's passage, Bown'go proved vital in this.

We headed further west, eventually coming to an overlook situated over a waterfall. After some spiritual guidance, and hunter tracking. We concluded Pogo either fell or retreated down the waterfall itself, we sought to duplicate his actions to better track him.

To disastrous results...

Bown'go descended successfully, I however suffered grievous injuries on my attempt. Bown'go managed to tend to my injuries enough to get me remounted, and we continued our journey north towards the Twin colossal. Where Pogo'pogo's tracks led.

We set up camp at the base of the western colossal waiting for myself to heal enough to continue. During this time we were joined by Longwalker Kaylan! her aid has proven invaluable thus far. While I healed myself at camp Bown'go and Kaylan continued to scout out the surrounding area. They discovered a Female night elf at the base of the cliff who seemed to be providing a strange service to travelers. I was aware who this woman was, and once they returned we went out together to ask her some questions.

After some some discussion we learned from the elf that Pogo had indeed used her services to ascend up the colossal. During our conversation however Bown'go had vanished in search of clues. Me and the Longwalker waited and began to grow concerned with his absence, Then I heard a yowl of some beast to the North-east. We have decided to go investigate

Rumors from the Salty Sailor Tavern

Branharak Dancing?

Most of us dance with friends. Is that what pathfinding does to you? Makes you go off alone and you dance by yourself?

Return to the Bluffs, Skybreaker. There are plenty of places to dance... just do not fall off the edge...

Room at the Roadhouse

Finally, a place where we are not hitting our heads on the beams of the Inn. We, Shu'halo, appreciate that there is at least ale in this town, but we have decided this is a much nicer area to lounge with our friends. Can you put an outside bartender here?

Redwood Tribes News

Skyseer's View

I am Okwaho Skyseer, adviser to the Redwood Tribes, Seer of the Earthen Ring, and speaker to the editor that writes these words.

Many are probably waiting to hear from some words from a wise Seer about recent events in Zul'Gurub.

- 1) The Horde must remain strong.
- 2) Stop killing each other and fight the real enemy.
- 3) Yes, I know Master Gin'jojo seeks to weaken my position as Seer.
- 4) The Tribes have no power over me, Sad Gin'jojo.
- 5) If we survive what is to come, I will gladly face whatever consequence the Earthen Ring deems fit.

Where in Azeroth is Gin'jojo

Keep track of that elusive Troll...
Somewhere in Ratchet perhaps?
