## Spring Fashion

### Swiftsilver Cartel Hosts Fashion Show 4.26.2020 The Steam Pools

*Trade Princess Senneca Swiftsilver does it again! Last year's hot success was a fundraising date auction and for 2020 give a hand to all the contestants that attempted to take home the gold... and I mean gold from The Trade Princess' vault. Not surprisingly, the Goblin contingent seemed to know the way to the bank, if you get my drift!*

# *Horde Incursion into Darkshire*

**4.11.2020 Darkshire, Duskwood Contributor: Lorewalker Joenn**

Armed conflict broke out between Alliance and Horde mercenaries at week's end in the sleepy town of Darkshire, just a few miles southeast of Stormwind. These two forces clashed multiple times throughout the night before the Horde mysteriously withdrew.

Rumors first started to circulate the week before, when Darkshire's residents reported seeing Forsaken shambling about in the Duskwood. Alliance scouts tracked these Forsaken east, through Deadwind Pass and into the Swamp of Sorrows, to the small goblin settlement of bogpaddle.

The following week, the scouts reported that the Horde had moved their operations southwest and made camp at Stonard, and had greatly expanded their numbers. A large posse of Alliance mercenaries and vigilantes gathered in Darkshire to address the rising threat.

Once assembled, the band rode eastward to the gates of the Horde fort and attempted a diplomatic solution. However, their emissary was set upon by the guards and fighting broke out immediately. After a brief skirmish, the Alliance withdrew back to Darkshire. The Horde followed them back to town and, within the hour, launched a counterattack.

The ensuing fight lasted for several minutes, but the Alliance repelled the invaders and drove them all the way back into Deadwind Pass. The Horde

retreated, but quickly recovered and launched a second attack on Darkshire. The town was overrun, and the defenders were driven out. As quickly as it was taken, however, the Horde abandoned the town and returned to Stonard.

The next day, three Alliance volunteers returned to Duskwood and found no trace of the Horde invaders. This small posse ventured back into the swamp and found Stonard to be nearly empty, manned only by a handful of warriors.

Turning north, they found that Boggpaddle had been abandoned as well. But while there, an anonymous source indicated they'd seen the Horde moving their operation south, into the Blasted Lands. This source reported that their leader, one of the Forsaken, seeks an ancient relic on the other side of the Dark Portal.

Darkshire's residents say they are eager to put this conflict behind them and return to their daily lives. Meanwhile, the defenders of the Eastern Kingdoms are making preparations to return once again to the war-torn world of Draenor.

While the Tribe strives for peace in a war-torn world, they are willing to stomp out all the campfires across Azeroth, because they are not on the menu tonight! So, until the alliance start fishing and stop hunting Shu'halo, this is the Tribe that will stop you. They enjoy boating, especially gliding out to sea in those nice galleons sitting in the Boralus harbor, mountain climbing from Dun Morogh to the peaks of Kul-Tiras, and they always enjoy a good fight! The Tribe enjoys BBQ, as well, and will bring plenty of Firewater to share with friends... Do you want to be friends? Or enemies? The choice is yours!

## Tales from an Alternate Time

# The Pet Parade

[Click for Calendar](#)

4.20.2020 Darkmoon Fairgrounds, Mulgore

What is more fun than a gathering of pets, both large and small. The companions got some much deserved attention at The Shattered Company's Pet Parade and friendly competition. There were some rather odd large entries, but pets are pets... and the Seer is not going to argue with the Elder, just have a good laugh.

After prizes were given out the happy owners paraded the pets up to Thunder Bluff to show the High Chieftain and enjoy each other's company.

An enjoyable evening of fun, licks, and prizes!

We want more pets!

# Advisory: Travel Warning

04.23.2020 Brill, Tirisfal Glades

Reports just in: Daring Nipple Heist Outside the Gallows: End Tavern!!!

In the dead of the night a ragtag group comprised of almost all races of Horde waylaid a fellow Horde member and brutally stole his nipples on the grassy knoll across from the tavern. The thieves apparently needed the appendages for their compatriot inside the tavern. And while this Orc now has his, officials report this may just be the beginning as more Orcs report strange looks as they leap from the Zeppelin on arrival.

Authorities not only caution all Orcs heading to the Eastern Kingdoms, but are actively seeking information concerning the night in question

A wolf rider tried to push one Peon off his spike

Someone said they could smell the foulness as the bubbles surfaced

## Redwood Rescue: A Missing Druid Part 2

4.18.2020 Village of the Dancing Trolls

Story continued: The Druids had learned that their missing comrade had last journeyed towards a hidden village of dancing trolls. Master Pathfinder Pogo'Pogo had ardently advised against travelling there, but Sauromoon and the rest of the Shu'halo determined it was time to find out what was really going on in the mysterious cave that had so frightened the Trolls of Redwood when they last journeyed to that land.

Shu'halo enjoying the climate while everyone else is freezing

Shu'halo enjoying the climate while everyone else is freezing

Traveling was rough going at first as several new Tribes members and friends were still younglings and initiates.

The Seer when later questioned on the wisdom of bringing so many youths replied that the Tribes have grown, and many new initiates while new to the Tribes were experienced Shu'halo, Trolls, and Orcs in their own rights. "We do not hide our youth from the perils of Life... or put up safety rails on the Bluffs edges!" The Seer then stomped away and refused further comment.

The journey started easy enough, but almost as soon as the Tribes arrived at the village, many members began to enjoy the dancing, while the more experienced members hastened to keep them away from the mesmerizing Shatterspear Troll dancers.

Finally, Sauromoon hastened forward not to dance, but to confirm that the skull of a Tauren was indeed prominently displayed swinging from the lights over the dancers!

Is there something hanging from those lights?

Angered that the visitors had stopped dancing and falling for their ruse of being a peaceful village of Trolls, they began to attack converging on the Tribes, chanting and yelling to their loa, Hakkar, and pushing them up to the cave. The Tribes fought back, time and again, felling many of their attackers, but finally they were pushed into the very cave, the Tribes Trolls had warned the not to enter... what will the future consequences be as the Tribes barely escaped the Blood God's followers.

Oh? That is a Shu'halo head. Not Good!

### *Skyseer's View*

*I am Okwaho Skyseer, adviser to the Redwood Tribes, Seer of the Earthen Ring, and speaker to the editor that writes these words.*

The Festival of Peace is upon us!

But before there can be Peace there needs to be war on actions of bad faith. The Tribes are home to many people of different backgrounds and cultures and to be clear, an attack on any member is an attack on all of us.

Redwood is committed to fighting against hate and hate speech of any kind as are many other guilds on the server.

Especially now, when so many are fighting the effects of the pandemic, it is time to come together as one family and there is no room to belittle or attack others. Engage in positives, connect with each other in kindness, and be there for each other.

## Farseer Foretells

By Mayalen Highmountain

April 22- May 21 2020

This is for entertainment only.

### Aries

March 21 - April 19

When you work together, great things can come about. Time to find a rhythm with your hammer while creating great tools for life.

### Taurus

April 20 - May 20

Family life might seem a bit chaotic but in a few years, you will remember the times spending the day playing with the little ones in the yard.

### Gemini

May 21 - June 20

Be true to your words, in your deeds, and in your action, and Earth Mother will always protect you. Straying from the truth can only lead to a place that is filled with darkness.

## Cancer

June 21 - July 22

Truly, perception is everything. A glass-half-empty is a glass-half-full, yet we each see it differently. When debating with others try to see how they are looking at things as well.

## Leo

July 23 - August 22

Remember when planting your garden to pay attention to the details. It is the little things in life that sometimes bring the most joy.

## Virgo

August 23 - Sept 22

The best-laid plans are not done in one moment. Rather the best plans always take time to grow and to be achieved over time.

## Libra

Sept 23 - October 22

That old wheel barrel could probably be broken down and made into a planter. Sometimes it's best to let go and transform objects or your own self.

## Scorpio

October - 23 - November 21

Your action of service and attitude of gratitude will bring riches and honor upon you and your family. Thank you for your commitment.

## Sagittarius

November 22 - December 21

Gold Gold Gold Gold - Are dreams to become rich filling your day? Perhaps you need new goals of adventure filled with friends and family. Time to share your wealth and have fun doing so.

## Capricorn

December 22 - January 19

Did you build that new flying contraption? Are you worried that others will not like it? Do not let the appearance of your flying contraption stop you from taking to the sky. Fly and enjoy your time.

## Aquarius

January 22 - February 18

Love of Earth Mother is all that matters to some... But did you forget that love means to love all those around you in hopes of raising everyone up? Ahh, this is what it means to love unconditionally.

## Pisces

February 19 - March 20

With too much time on your hands, and nothing to do, perhaps it is time to seek out new friends and learn new skills, or find new hidden paths in life.
