## *Desolate Disclosure -Returns!*

AS#92

"Wait, What's that?"

**Designation: Thrones**

AS#92 manifests as a work of street art/graffiti depicting the form of a dragonkin creature with scaled forelimbs, razor claws and the head and feathers of an avian creature. The depicted poses are a variable but tends towards a predatory stance with eyes that appear to track the viewer.

Anyone viewing this image directly will experience a compulsion to investigate it further. Victims describe a nervous fascination and a desire to move closer. This can be resisted with effort, especially if the subject is aware of AS#92's anomalous properties.

Based on tested interruptions performed at predefined intervals, the attack follows a defined pattern- the victim will first be restrained, and the eyes and tongue will be removed, rapidly followed by the amputation of the hands and feet. The victim will then be disemboweled and the intestines and stomach removed. Death usually follows due to shock or rapid exsanguination, but only if the attack is interrupted by visual contact; the fate of victims who disappear along with AS#92 at the conclusion of the attack is unknown at this time.

Status: Contained

**After Action Report:**

Elements of MTF Callsign City Slickers with irregular support were able to capture AS#92 within Cherubim Containment Vessel #03 Big Boo's Haunt, henceforth listed as #AS-92-1, at [REDACTED]. No casualties reported. AS#92-1 secured at Site #19. Due to the eviscerated nature of victims no salvage operations are considered at this time. Potential for AS#92-1 Cherubium designation under review.

## Meanwhile in Booty Bay

2.19.2020

### Booty Bay, Stranglethorn Vale

Swiftsilver Cartel hosts another casino night down at the Salty Sailor Tavern in Booty Bay and sees the top floor of the Inn begin to overflow with guests.

The Trade Princess herself runs the casino and may be looking for a more spacious locale and perhaps a games dealer or two. Just don't get caught skimming off the top!

## Chief's Corner

*Word on the Winds is that we are continuing to meet across the faction lines of Alliance and Horde... different lines being drawn by those that still seek to uplift The Dark Lady... and those that have been secretly following the path of the Old Gods.*

*Be careful of the friends you choose, now more than any time in our past, things are not what they seem.*

*I wonder at those that do not realize the war that goes on around them and those that know more than any other what hides in the dark recesses of our hearts, souls, minds.... and of Azeroth herself.*

*Perhaps going forward blissfully unaware of our own darkness, but I for one will keep looking over my shoulder and having faith in the Earth Mother to guide my steps forward.*

*What will you choose, reader of scrolls?*

*Lohkawas Wildmane*

*Editor-in-Chief and blissfully ignorant fool..*

## Tales from an Alternate Time

### Uprisings on the Rise!

[Click for Calendar](#)

*2.15.2020 Peon Training in Durotar*

The now infamous Fireshovel, ex-Peon, has been spending time preparing his new Peon forces for War, or so it seems. What started as a march and peaceful leave taking when Thrall would not respond favorably to their request for more breaks, better rations, higher wages, and less bonkin' has the Peons now gaining in strength, learning skills, and in combat training.

While it looks like their new home is far too dangerous for many of the young Peons, so training has commenced back in Razor Hill... for most, but for one Peon, it looks like a nap was the order of the day!

*Rest well...and Train well Peons.*

*02.18.2020  
Ironforge  
Stormwind*

*Another Uprising??? if you are looking down to see them that is. And that seems to be part of the complaint, along with dangling feet on improperly sized furniture, making them ride under the trams they built, punting, treating them like children, and apparently they do not get hazard pay, which this reporter thinks should be a requirement in their usual line of work.*

2.21.2020 Peon Uprising vs. Safety  
Thunder Bluff, Mulgore

**Windhowl Claims Thunder Bluff Turns Blind Eye to Peon Workers and Deaths That Occurred While Elevators Were Built!**

Both Kaylan Ragetotem, longwalker to the High Chieftain and Ayashe Brightmane, Chieftain of Redwood Tribes tried to assure the Peon Leader this was not the case, and that Peons should be Peons, for good or ill or for sleeping. Meanwhile, Safety Inspector Nby will be filing safety violations to all parties that risked the lives of Peons needlessly on this particular day!

2.24.2020 Gnome March 2 - Stormwind and Ironforge

*The Gnomes March Again!*

*Picking up some new Gnomes, Killerwatts' company of Gnomes continues to grow, uh, no pun intended.*

*Only this time, the marchers appear to be getting more demanding, feisty, and belligerent. They have given Magni a week to give in to their demands or a strike is threatened.*

*In other news, there has been less word of Gnome Mages being seen in the vicinity of the new Peon home at Go'shek Farms in Arathi Highlands. Flyers, like the one shown below, have also been seen in taverns, bearing the symbols of both the C.O.G. and Peon Uprising together.*

*Blacktooth Grin's Hancork leads another fishing tournament and this time, the Seer made it in time to cast his line and get his lure tangled up with dozens of other fishers!*

*Booze, tales, and a relaxing afternoon was had by all, and despite the Good Natured Hancork being sent on a dangerous mission for the Horde, the fine fisherfolk will continue to meet in this time-honored tradition.*

*If you have not participated, come out and join in, prizes to the first three that catch a trophy fish and plenty of deviate delight for all!*

*02.16.2020 Shadowprey Village, Desolace*

*In one of the few beautiful areas of Desolace, Blacktooth Grin gathered for the exchanging of vows! Guests were honored to be in attendance for the ceremony and celebration afterwards! Long life to the happy couple!*

# Horde Date Auction

2.14.2020 Valley of Honor, Orgrimmar

*For whatever reason, gold was exchanged for those wishing to donate to future Horde activities! This is a good way to bring us together. The current activities auctioned off included dates with interesting people in the Horde and going to various locations, possibly to kill Alliance, or to visit interesting locations and quite frankly, someone still owes Okawho a picnic in Mulgore... Bring extra, the Seer is still a growing Shu'halo!*

*And a big thanks to Blackplague as the emcee for the fancy affair.*

## *Roadhouse/Coffee Long House*

2.16.2020 Thunder Bluff and 2.23.2020 Orgrimmar :

*As the Tribes and Allies met in Thunder Bluff for the 1st Coffee Long House they were met the terrifying scene of Branharak Skybreaker leaping from the top of the Long House. In attempt to show how he had scaled the Shaman's tent, he then got stuck and needed assistance.*

*The Tribesmen leapt to his assistance, despite lacking the most capable Safety Inspector!*

*Later, there may have been a sudden end to festivities at the last Roadhouse in Orgrimmar. If you want to know more, catch us every Sunday! See the scroll for each week's locations, and join us for a special tour on the 15th as we celebrate the Freedom of the Greenskins!*

# Azeroth War Campaign

## What is it?

### RP-PVP

At the heart of it, Clan Hammersong and Redwood Tribes nailed it at the Battle of Bael Modan. A series of 3 battles, best 2 out of 3 wins the contested territory.

The territory can be a small town, a mine, forest, or whatever small area that a Guild thinks will give them an edge as we fight for control of Azeroth.

This is the game within the game as we build the history of Azeroth together.

Fight with Honor and expect to dance and drink with friends when the contest is complete.

For More Info: Reach out to Gin'jojo and Ulfrinn or your GM

### Battle Reports

Damage Networks defended The Hillsbrad Fields against the forces of the Hand of Lordaeron. Misinformation on the force garrisoned in the hold led to the undoing of the Hand's forces. Needless to say the battle has led to improved intel on Alliance forces in the area!

### Battle Reports Continued

Little Dragons defeated the Alterac Loyalists laying a successful siege at Durnholde Keep and have now holed up as they recuperate and make plans to defend Thandol Span

Battle Report Peon Uprising versus a Caravan Leader from Clan Hammersong from General Ulfrinn:  
The rain poured down heavily across Hillsbrad, for the sky wept tears of pain. The sound of marching feet thunders through the foothills, echoing war and destruction. The Peon's march to freedom. On this day Dun Garok receives vital aid from a Clan Hammersong caravan, without them the keep will fall surely to the sieging peons... The Peon Uprising has managed to assassinate the incoming caravan leader, cutting off supply lines to Dun Garok Keep. The soldiers inside wither away due to starvation and the peons make their way inside to set up for some rest and relaxation from a long siege.

"And they may have taken a tank and all the ale back to their home at Go'shek Farms, leaving a small force to begin working the nearby land", added a casual observer.

## *Additional Combat - Hurricane Strikes Thunder Bluff*

Minding my own business, I, Okwaho Skyseer was engaged with one of our new Tribe elders Zel'wah, when we heard there was an attack on Spirit Rise. The vile forces of Hurricane were harassing the First Aid Trainer and Shaman trainers atop the rise. They sought to avoid direct conflict with the Bluff Watchers should they cross the rope bridges, but at first there were only a handful of Horde present to stand against their encroachment and certainly not enough to send them toppling from the Bluffs. Battle soon commenced however, with Vir'jin the ex Atal'Alarion leader successfully drawing first blood with his roguish ways! Take this as a lesson Hurricane, the Bluffs will stand against you should you attempt this again! Mu'sha watch over us!

## *Rumors from the Salty Sailor Tavern*

### *Hand of Lordaeron Meets with who?*

Recently the Hand of Lordaeron met with the leadership of Redwood Tribes, now there's rumors of additional meetings... What deals could they be reaching with Windhowl the leader of Peon Uprising and has the wielder of the Fireshovel been forthcoming to all the peons, or is the one peon present smart enough to convey what he heard to his fellows? And it is one thing for the Cenarion Circle to accept the Forsaken into the Horde, but... that is a Kaldorei, not a Shu'halo that Blackplague was seen meeting with just outside of the Horde's Grom'gol Base.

### *Harsh Words at Roadhouse*

In other news, Redwood's latest Roadhouse ended abruptly over words between new business partners Branharak Skybreaker and Pogo'pogo, the Amani troll.

Will the two patch things up before their first Adventures on March 11th? See the flyer in the advertisement section for more information.

Or is the fight in Orgrimmar a sign that things are much worse... watch for the Times coverage next issue!

### *Alliance Ambassadors Grow*

Ardus Runesage held another Ambassadors meeting and was rewarded with another new Ambassador. After the Alliance War Council was attacked, there may be more need than ever for someone to begin talking sense. Rumor has it a troll leader from Redwood Tribes called for Mak'gora and the challenge was accepted... and then met with the Dwarves opening fire as the Troll stepped forward. The Salty Sailor Tavern is withholding ale now from the transgressors

# Redwood Tribes News

## Skyseer's View

*I am Okwaho Skyseer, adviser to the Redwood Tribes, Seer of the Earthen Ring, and speaker to the editor that writes these words.*

Nefarion did appear, as predicted upon the winds of time. But our staunch Horde brothers and sisters have already put this threat to rest.

However, this was only after increased fighting between Horde and Alliance around the mountain.

The Ambassadors of Azeroth attempted to stall that bloodshed so that Nefarion was met with the full might of both our armies. Instead, how many died needlessly...
