At the Darkmoon Faire

Crossfaction Bar Night Darkmoon Faire

Who are all these friendly faces? The Hórze and Alliance gathered on a fine evening at the Darkmoon Faire to wish their favorite Wildhammer Dwarf a safe trip. Upon finding out that the enchanting Baast would be returning to her home to help bolster her Wildhammer cousins, she and Lluagor made plans to host a night out at the Faire!

Judging from the turnout, both Alliance and Horde are gathering in strength.

There may have been a test of that strength at the Blight Boar show when party goers came under attack. Or it may have just been part of the show, as upon consulting attendees, they seemed to expect the interruption.

At the end of the night, drinking, dancing, and fellowship set the overall tone, and all agreed it was a great sendoff for one of our favorite barkeeps!

Meanwhile in Booty Bay

2.26.2020 - 3.7.2020 Orgrimmar - Silithus

Blackplague confronts Branharak, Corrupted by an Old God

As hinted in the last news scrolls, something foul appeared to take hold of Redwood Tribes Master Pathfinder Branharak Skybreaker. Though many searched for his whereabouts, it was Redwood's Pogo'pogo and the enlisted aid of Hand of Lordaeron's Blackplague that narrowed the search to Silithus and a cult known as the Twilight Hammer. Meanwhile, the Seer of Redwood Tribes learned that Skybreaker was using his shamanic skill to power obelisks throughout Silithus. The combined might of the two companies converged on a cult leader Vyril the Vile and learned that Skybreaker had been controlled through the use of a cats eye gem of purple and green... and he was indeed using his corrupted powers at the behest of the whispers of an Old God in that tortured land

The Xyle met his end in an old Kaldorei post overlooking the desert-land, but gave the group enough information to travel onwards in hope of finding and somehow rescuing their friend. In the end, a strange obelisk in a coastal cave was destroyed, nearly taking many of the rescuers with it, but between the obelisk's destruction and the death of the cult's leader the hold over Skybreaker was weakened enough for De Doctah, Zel'wah, to administer a concoction to allow Skybreaker's spirit to return to his body.

What lies ahead for the madness in Silithus? For now, is the recovery of Skybreaker that concerns the Hand and the Tribes!

Save the Kree

03.02.2020 Jintha'Alor, Hinterlands

With some help from Shadow Company, Elder Frejabahl led the Tribes on a quest to save the beloved Kree, and gave an explanation about the Kree and its importance not only to the Tribes but to Azeroth.

The Tree behind the Inn of Crossroads has been a gathering place for the Tribes since their inception as a natural place for Kalimdor Tribes to unite. But the Kree has a deeper connection to what is known as a Great Tree in the Hinterlands, Seradane, which in turn was grown from a cutting from a World Tree.

The group travelled up the steps of Jintha'Alor to save them both!

Vacations: Stormwind and Ironforge

03.08.2020

Stormwind

Surprisingly accessible for all this stone architecture. Fishing in the canals proved to be fun though we were interrupted a few times

Our Druids were disappointed we did not make it to The Park. Overall well worth the visit

03.08.2020

Ironforge

The tram offers an interesting ride through an Aquarium. However, I would suggest a stop at a gift shop along the way

Now, this Museum wins the prize! Well put together. Next time I visit, I will seek out the taverns!

Uprisings Continue Unabated

03.02.2020

Occupy Auction Houses

The Gnomes have officially begun their strike. Ironforge and Stormwind refuse to listen to the demands of the COG, Coalition of Gnomes, and along with a few taller allies, the Gnomes have taken over the Auction Houses in both cities. Will they march on Darnassus, as well? With a large gathering already planned for March 13-15th, Killerwatt may be enticed to see if Tyrande can be persuaded to their cause.

As seen above and to the side, the COG did not face as much opposition in their new home of Ironforge as in Stormwind.

Some of the denizens of Stormwind attempted to brush past the Gnomes, or "Furbolg Food" as one put it and enter the AH, but conspicuous in attendance was Fed the leader of the cross-faction peacekeeping Deathwatch squad. Will the Gnomes hold the AH? And will they appear at Grobbchella?

03.09.2020

The COG and Peon Uprising Meet & Greet

While many thought it would be the Ambassadors of Azeroth that would be the first to reach across the divide of Alliance and Horde, instead it appears to be Peons and Gnomes that have found much in common as they fight against the oppression of class society in both factions. It seems that in addition to Orcs and Gnomes, many gathered to witness the historic meeting and may have made unexpected friendships.

Just where the heck is this going to end up? asked one reporter from the Gnomish Gnews Gnetwork! Be assured Redwood Times staff wants to know the same thing!

Redwood Explorers League - The First Journey

03.11.2020 - Hot off the Press from Mount Hyjal

For Master Pathfinders Branharak Skybreaker and Pogo'pogo roadblocks mean absolutely nothing.

Joined by the curious of and well seasoned adventurers from Hand of Lordaeron and their own Redwood Tribes members, a land from History came alive.

Mount Hyjal continues to hold secrets, but for those not present at the end of the Third War, this land held plenty of intrigue and mystery, until the Pathfinders led the way past the demonic presense in Winterspring and helped the intrepid adventurers into the wartorn land.

Much remains to be discovered...

Azeroth War Campaign

What is it?

RP-PVP

At the heart of it, Clan Hammersong and Redwood Tribes nailed it at the Battle of Bael Modan. A series of 3 battles, best 2 out of 3 wins the contested territory.

The territory can be a small town, a mine, forest, or whatever small area that a Guild thinks will give them an edge as we fight for control of Azeroth.

This is the game within the game as we build the history of Azeroth together.

Fight with Honor and expect to dance and drink with friends when the contest is complete.

Rumors from the Salty Sailor Tavern

Blackplague Seems Intent Upon Securing Friendships Amongst Redwood Tribes Members

Recently seen in Booty Bay, The Seer of Redwood and the ever present rogue Blackplague... Just out for a swim? Or is there more than meets the eye when these two get together?

Redwood Tribes News

Skyseer's View

I am Okwaho Skyseer, adviser to the Redwood Tribes, Seer of the Earthen Ring, and speaker to the editor that writes these words.

Gnomes and Peon meet... while other groups continue to clash, the Gnomes and Peons seem to have found a way to communicate and some allies along the way. Meanwhile they seem to face opposition mostly from their own factions. Change is inevitable, but will these forces guide the way?

And despite Alliance and Horde continuously clashing, there appear others who are curious what the other faction brings to the good of Azeroth. We visit other lands in attempts to find more knowledge and sometimes we are met with dance and beverages instead of daggers and swords. Even a trip to Mount Hyjal is a reminder that there are forces more dangerous than those in Stormwind or Orgrimmar.

And speaking of more dangerous... beware Silithus, for a threat lies there still under the sands. Make allies while you can
