Tales from an Alternate Time

Dark Horde And Dark Minds

6.17.2020 Amphitheater, Thunder Bluff

Debate - Dark Horde/Grimtotem

This month's debate topic, "Whether the Dark Horde and/or Grimtotem should be allowed in the Horde?" pitted Edinbev Grimtotem and Shonte Daud against Longwalker Kaylan Ragehorn and Grol'throk, Council of Redwood Tribes.

The answer, more strife and anger. Nothing seems to defeat the unity of the Horde more than being different, and yet that is often pointed to as our strength. So we can get along, Troll, Orc, Shu'halo and Forsaken, until it is a specific Tribe or Clan, then we are separate. Well, if we do not learn to be "The Horde", we will be fodder for The Alliance.

6.19.2020 Pogo'fon Returns Home

Pogo'fon, meaning the exiled, was ultimately tracked down and returned to Thunder Bluff, only to be whisked away by a thief in the night. Fortunately, the Tribes and Hand acted together to stop a tragedy in the making though nearly at the cost of Longwalker Ragehorn's life.

Blackplague Meets with Redwood

Kept under constant watch, Pogo'pogo, the feral, seemed to slip further and further away from clear thought and action.

Upon Spirit Rise, Zel'wah was able to call forth the spirit that had taken hold of the young Troll and together, the Tribes and allies were able to defeat the beast that had taken over Pogo'pogo.

In the meantime, the thief and almost killer of the High Chieftain's Longwalker was judged by high-ranking members of the Tribes. If you see a blind rogue with a shrub for one arm lingering about the Bluffs, be sure he is assisting with menial chores and tasks for the inhabitants. Upon completion of his service, the shrub will be removed...

Relaxing Pasttimes

A Celebration of Father's

6.21.2020 Bloodhoof Village, Mulgore

The Shattered Company sent forth an invitation to celebrate and relax, and so we came to Mulgore. Many enjoyed fishing while others were given pet cats and prairie dogs. There were awful jokes told by those that came to relax and then some showed off their fighting prowess. And why? To celebrate those that came before us and taught us as we grew and will hopefully one day pass along words of wisdom to those that come after us.

Fishing, any excuse to fish!

A relaxing walk through the tall grass to the village bonfire.

How many people can tell bad jokes?

Chieftain Shoes?

6.29.2020 Goldshire, Elwynn Forest

Meeting up in Grom'gol Base

Chieftain Ayashe Brightmane declared a journey to the human town of Goldshire to find shoes or sandals for her hooves.

Many of her trusted advisors were somewhat uncertain about the outcome of such a hunt, but many traveled from Grom'gol Base to the very gates of Stormwind in search.

Many feet were stripped and ultimately Ayashe found boots and sandals to bring home after a nice campfire with someone named "Shoebags"

6.28.2020 and 6.29.2020 Hillsbrad Foothills and Ashenvale

Face your Demons, the new motto for several of the Hand and the Tribes that meet often in Hillsbrad Foothills. We have been through much already as our alliance continues to fumble over ditches in the roads, but together friends are being made despite the obstacles.

And it will be the same for all of the Horde as they seek to take on the Colossal Dragons that seek to break the back of the world. The new Windfury Pact that will be signed in just a few days, will hopefully ensure the Horde continues to face these obstacles as One!

Shonte Daud Faces Off with an Agent of one of the Loa of Death

The End?

6.22.2020 Fray Island, off the coast of The Barrens

Tensions had been high after the debates, as they normally are and Blacktooth Grin requested everyone come together at Fray Island to enjoy food, drinks, and camaraderie.

Some duels seemed to carry some heat, but soon the bloodlust abated, and most everyone began to enjoy themselves, listening to sermons while others discussed all manner of topics on the top floor of the Fray Island tavern.

Gathering at Fray Island

Until a challenge... Mue'jin, agent of Mueh'zala, a Sandfury Loa of Death, claimed Mak'gora with Shonte Daud. The challenge accepted, Mue'jin is now wanted for the murder of Shonte Daud! Poison is not a weapon of honor!

Currently Ms. Natalie Avers is questioning all that night trying to determine who sent the assassin, though most believe it to be Master Gin'jojo of Redwood Tribes, for death left two calling cards that seem clear to implicate the Troll Councilor.

Let's get the dueling out of the way early.

Can anyone fit in that red chair? The bar owners don't recommend it.

Secrets in Tanaris

South Kalimdor holds many secrets and the Earthen Ring wants answers. Be ready for the Seer's call!

Redwood Tribes News

Skyseer's View

I am Okwaho Skyseer, adviser to the Redwood Tribes, Seer of the Earthen Ring, and speaker to the editor that writes these words.

Making friends, losing friends, trying to keep alliances strong! That seems to be the life of a Seer.

This and it seems finally the Warchief is heeding the word of the Cenarion Circle and the Earthen Ring about the desert of Silithus. A major concern the number of cultists that have been allowed to crawl across the desert like the silithid bugs, which pour forth from beneath the sands.

What else does the sand hold?

My dreams continue to bend to the lands of Tanaris and Silithus... though I can not tell which is the greater threat.

Be ready! For the Earthen Ring Calls! July 18.

Farseer Foretells

By Tavizah Wildmane

June 22 - July 21 2020

This is for entertainment only.

Aries

March 21 - April 19

In times like these your thoughts should always be on those you love, and those that will carry your legacy forward. Take care of the family and they too will take care of you.

Taurus

April 20 - May 20

So as the waters warm with spring moving into summer, remember to attend to those around you offering water to soothe the throat, or maybe some fun times in a pool of water to cool the soul.

Gemini

May 21 - June 20

Your action of service and attitude of gratitude will finally pay off in riches. However, always remember to give to others in kind.

Cancer

June 21 - July 22

There is no obstacle that can hold you back when you become determined to go forward with a winning attitude. This day shall be your dawning moment towards greatness.

Leo

July 23 - August 22

Earth Mother's gifts are sweeter when you share with others. A great example is when you share your bounty with others like apples or strawberries with your friends.

Virgo

August 23 - Sept 22

Sometimes when you are driven, we come to that fork in the road where we must decide. Sometimes it is also a place to remind us to rest and be at peace for the moment.

Libra

Sept 23 - October 22

You may not realize how important you are to the world. Everyone has a place within this universe. Do not let negative thoughts feed your soul. Step out and be with others as it was meant to be.

Scorpio

October - 23 - November 21

A glass-half-full is the same as a glass half-empty. The perceptive mind will allow you to see the world by the grace of Earth Mother. Always see the beauty in the world around you.

Sagittarius

November 22 - December 21

Harmony starts within you. Bring forward balance to others. Once you find harmony you can guide others to a peaceful state of mind.

Capricorn

December 22 - January 19

When you stare-out at the broken tree are you seeing a pile of wood or a piece of art? Maybe you should be adventurous and see what you can create today for tomorrow.

Aquarius

January 22 - February 18

What brought you here through synchronicity will not necessarily reappear to let you know you are not meant to go alone or to go with others.

Pisces

February 19 - March 20

Is your Loa calling you? Earth Mother? Or a Divine being? Perhaps you should stop and listen to them for a moment and see where they want you to go. Do not be surprised by your destiny.
