Naked & Afraid: Tauren Edition

Or, how to run back to your body 99 times and still get up to run again!

Contributor: Slow Lohk

"I was just a youngling, and I wanted to see the great Horde Capital Orgrimmar! They said, run with us, we will take you there.

There was an esteemed hunter of Redwood Tribe, Wook'ee Eagle-Eye leading a herd of us out of Camp Narache and up the Great Gate. They were kind enough to give us each a glider, for when we stood atop of the Gate overlooking the Barrens below. I jumped and while some glided, my wings finally opened when I was inches from the ground, and I took off in pursuit.

"Then the bloodbath started..."

"There were mangled bodies everywhere, bones of my fellow younglings with claw and tooth etched to the lifeless marrow.

These fine looking Shu'halo are about to run a race for their very lives! Who will Survive?

Pictured Above: Gathering at the Great Gate

Yet, through the Spirit Healer's blessing, we rose up to find our corpses and to run again. A Terrortooth Scytheclaw charged and claimed one victim, a shrill cry as an Outgrowth claimed another, and then the Hecklefang Scavenger... it tore into one, but not satisfied it killed five more, until none were left standing. Ghosts, we ran back again.

"Finally, we stood on a bridge, Crossroads and solace in sight across the wide gorge, our guide turned us towards Stonetalon Mountains, instead of what some muttered was a safer route along the coast to Ratchet. What could we do, but stick together... And then the word to run to Malaka'jin; some of us had never heard of it. Why oh why, didn't I follow the two that ran up the hill? Instead there were Alliance soldiers raining bullets and swinging swords as we rushed through their outpost at the border of Stonetalon and Ashenvale.

"And spiders... so many, then to Ashenvale and Bears!!! When will the madness stop? At what point do we sacrifice our fellow Shu'halo to the predators so that we can survive?"

Pictured Right: Entry into Azshara

"We made it to Splintertree Post only to have massive Raging Ancients swoop us up in their branchy claws as we saw the safety of the gates."

"And as we came to life again, the guide said, run up the road and through Azshara to the back gates of Orgrimmar." The Kaldorei were endless. They cut us down numerous times. We paid dearly as we charged through their ranks.

As I crossed into Orgrimmar, I was told to visit an apothecary, Father Franzis Benedikt atop the front gate at the Desolate Conclave clinic.

"And when I crossed into the Valley of Strength, a shadow crossed over me, and I looked up to see the slow Zeppelin from Thunder Bluff approaching the Orgrimmar tower... never again, I pledged, never again!"

On The Frontlines

Massive Redwood Force Patrols the Docks of Dazar'alor

by Lohkawas Wildmane

The Wildmanes along with Cenarion Circle and Redwood Tribe Brave Form Stormsong enlist the aid of a Master Monk to defend the Sky Queen and the Atal'Dazar docks.

Wave after wave fell to the Master Monk, the Alliance unwittingly challenging the Tribe members again and again!

Later in the evening, Captain Maharet Dawsail was looking for a fight as well, and the Wildmane's teamed up to protect the Mugumbala and later the Black Market Auction House.

Don't underestimate a Pandaren Monk, even if you can hardly see him!

Doubt us? Find the monk in several pictures below!

Crime around Azeroth: New Reports as of Aug 25 2019

Zandalar Docks: What is it?

Lohkawas Wildmane kills a lizard like being on the docks, the size of a "Human". Authorities noted the problem with litter and smog on the docks a scant few weeks ago, and now strange lizard creatures are infesting the area.

Any information on what the dead thing is, or if another one is found, please alert authorities.

Laughing Skull Selling Dwarf Beard Hair

Urgent report from Ironforge: Incessant laughter rings out from atop the mountain, keeping citizens up all night. Between the laughter comes the Orcish words for beard hair and gold. Merchants in the Auction House believe the Orc wants to collect Dwarven beard hair to sell to unsuspecting Humans in some scheme to cover their bald heads before he cuts them off with his axe.

If you see him, run!

Wanted! : New Reports as of August 10 2019

Wanted: For Questioning Mystery Troll

Mystery Troll crashes Redwood Tribe Meeting! Who is this strange troll? Witnesses state he was yelling in incoherent Troll at the dozing Brave. At least he appears to serve the Horde!

Wanted: for Questioning

Mindful of recent ale thefts and disappearances, reports of Dwarves with multiple kegs obscuring their features have been leaked out of Dalaran. No one wants to believe that a Dwarf would be behind these thefts, but at this time, the Dwarves pictured below should come forward for questioning... just don't drink and ride!

Deadly Competitions

Dueling Tournament

Gehorja of the Laughing Tree Warband (PVP wing of Redwood Tribe) hosted a dueling tournament featuring 2v2 combat with no gear and white weapons in the Circle of Blood, Blade's Edge Mountains, Outland.

Members of Redwood Tribe, Soulshatter Clan, and Blademasters of Durotar clashed in best of 2 out of 3 matches leading to the winning team of Shadowx and Wazzer, followed by Dragrosh/Drondum and Nad Konkor/Aunka.

Thanks to all for participating!

World PVP Tournament

Nad Konkor hosted a different kind of killing tournament... chalking up those wpvp kills!

Nad Konkor and members of Redwood swarmed Mezzamere, all five of them, claiming scalps while holding off the Mezzamere guards... Until, word was sent to re-locate to Mechagon!

Mokalyn Wildmane struggled valiantly against hordes of Alliance singlehandedly! Once on Mechagon, Nad Konkor and partner Tauragea racked up 48 kills in an hour to, take the victory over Porm, Firengell, Flarefang, and Lohkawas, though all scored plenty of kills!

Azeroth Sports

The fall approaches... or is that the falling approaches!

Grab your darts, find a patch of lawn and get ready for a cross-faction challenge of Lawn Darts with host Wook'ee Eagle-eye.

And if you think jumping off Thunder Bluff to hit a target the size of a bucket of water is challenging, Wook'ee is climbing to new heights.

Date and Time to be announced soon!

Alliance - watch for your formal invitation to Lawn Darts - The REAL Shu'halo Style!

Chief's Corner

It has finally happened. Despite numerous warnings from yours truly, and members of the Mystic Knights, and several others, We have an OLD GOD on our collective hands.

Collective hands being a key phrase here. We have fought Old Gods before in our history and if we work together this should be nothing new.

But right now, I see Alliance versus Horde, and even Horde versus Horde. How fair you Alliance, do you have lines being drawn between your alliances?

It just makes US an easy target... Stop the Madness now and Save Azeroth Together!

Lohkawas Wildmane - editor-in-chief

Shamans are spiritual guides and practitioners of the very elements. Unlike some other mystics, Shamans commune with forces that are not strictly benevolent. The elements are chaotic and rage against one another in unending primal fury. Acting as moderators, Shamans summon totems that focus the earth, fire, water, and air elements to support the shaman's allies or punish those who threaten them.

While the Tribe strives for peace in a war-torn world, they are willing to stomp out all the campfires across Azeroth, because they are not on the menu tonight! So, until the alliance start fishing and stop hunting Shu'halo, this is the Tribe that will stop you. They enjoy boating, especially gliding out to sea in those nice galleons sitting in the Boralus harbor, mountain climbing from Dun Morogh to the peaks of Kul-Tiras, and they always enjoy a good fight! The Tribe enjoys BBQ, as well, and will bring plenty of Firewater to share with friends... Do you want to be friends? Or enemies? The choice is yours!
